Toronto field trip very educational

WELLINGTON HALL

BY HEATHER ELLIS,
Grade 4

Last Friday the junior and senior classes went on a field trip to Toronto. In the morning we saw *The Lion, the Witch and the Wardrobe* at the Young People's Theatre. One of the questions the audience asked the actors was, does Edmund really like Turkish Delight? His answer was no – it tastes like soap – so he eats cookies and cream instead.

They also showed us how lighting can make a person or object smaller or bigger. It was interesting that by changing the colour of the light, it changed the scene from winter to spring. It was a great play and we really enjoyed it.

In the afternoon we went to the Parliament Building. They took a picture of our class on the steps inside the building. We learned that it was built in 1892 and the west side burned down in 1909. It was reconstructed with marble from Italy and they found 13 fossils in the marble. In the Legislative Assembly we were told that the artisans who worked during the construction were able

to etch their faces into the plaster throughout the room. It was amazing how many faces we could see when we started to look around.

The primary class has been working hard on their Nativity play. Two of the senior students will be reading the story while the students act out the play. Every week the Grade 2s have spelling words. This week their words are all about the Christmas season.

In the junior and senior class the parts have all been chosen and we are busy learning our lines. We are looking forward to our Christmas Concert on Dec. 19.

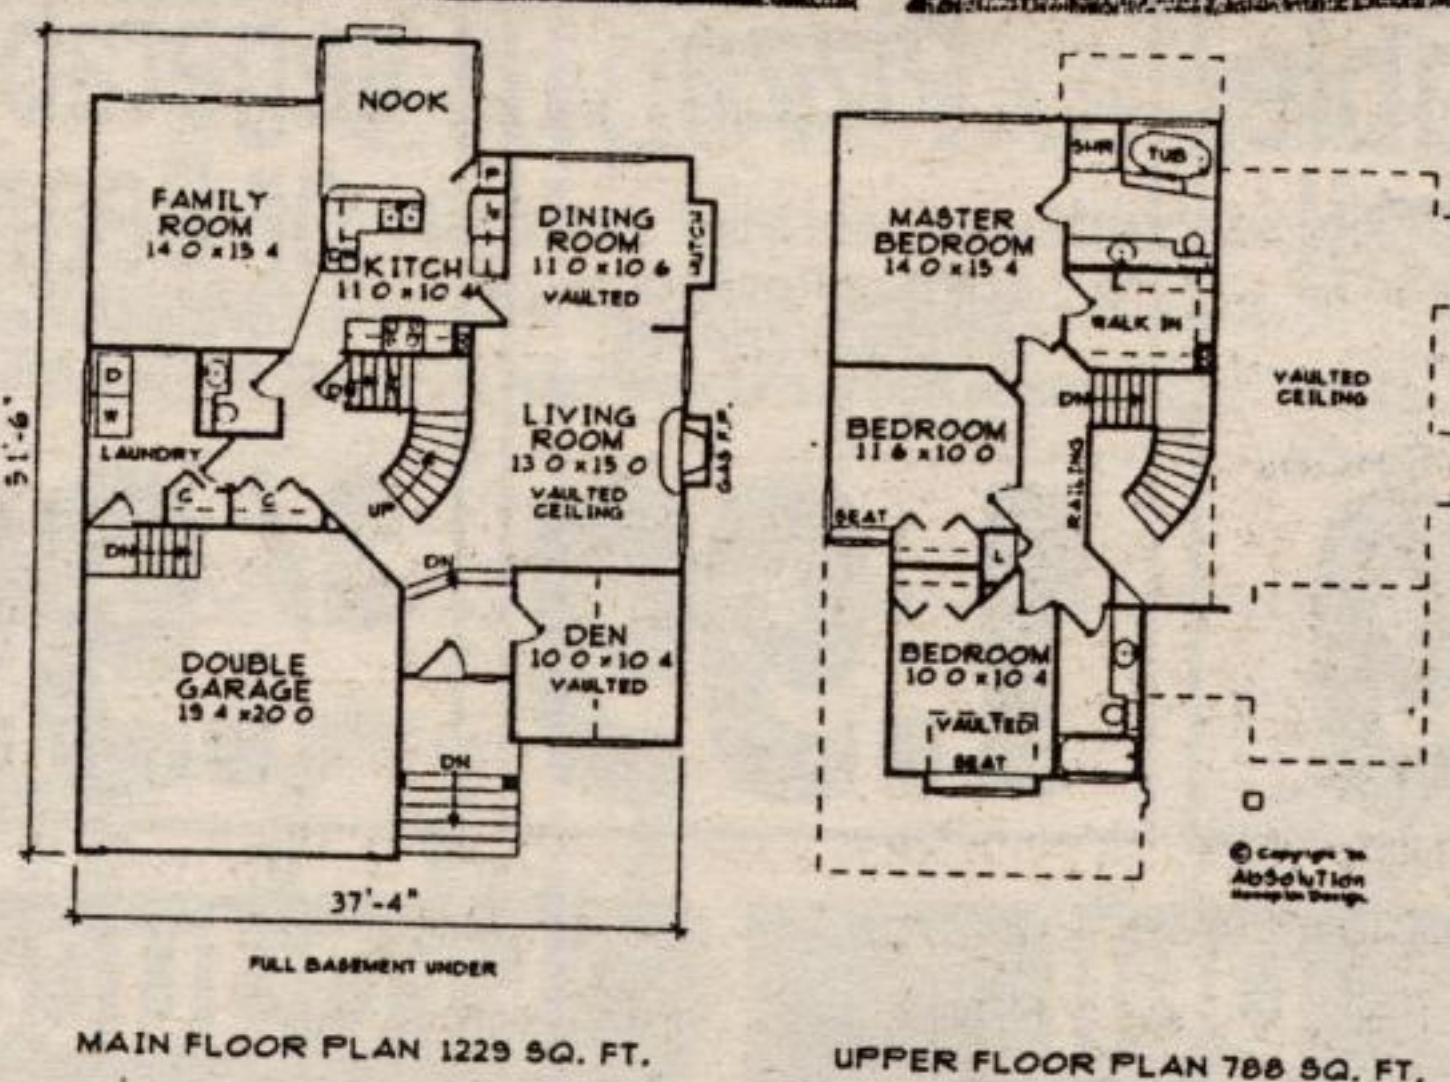

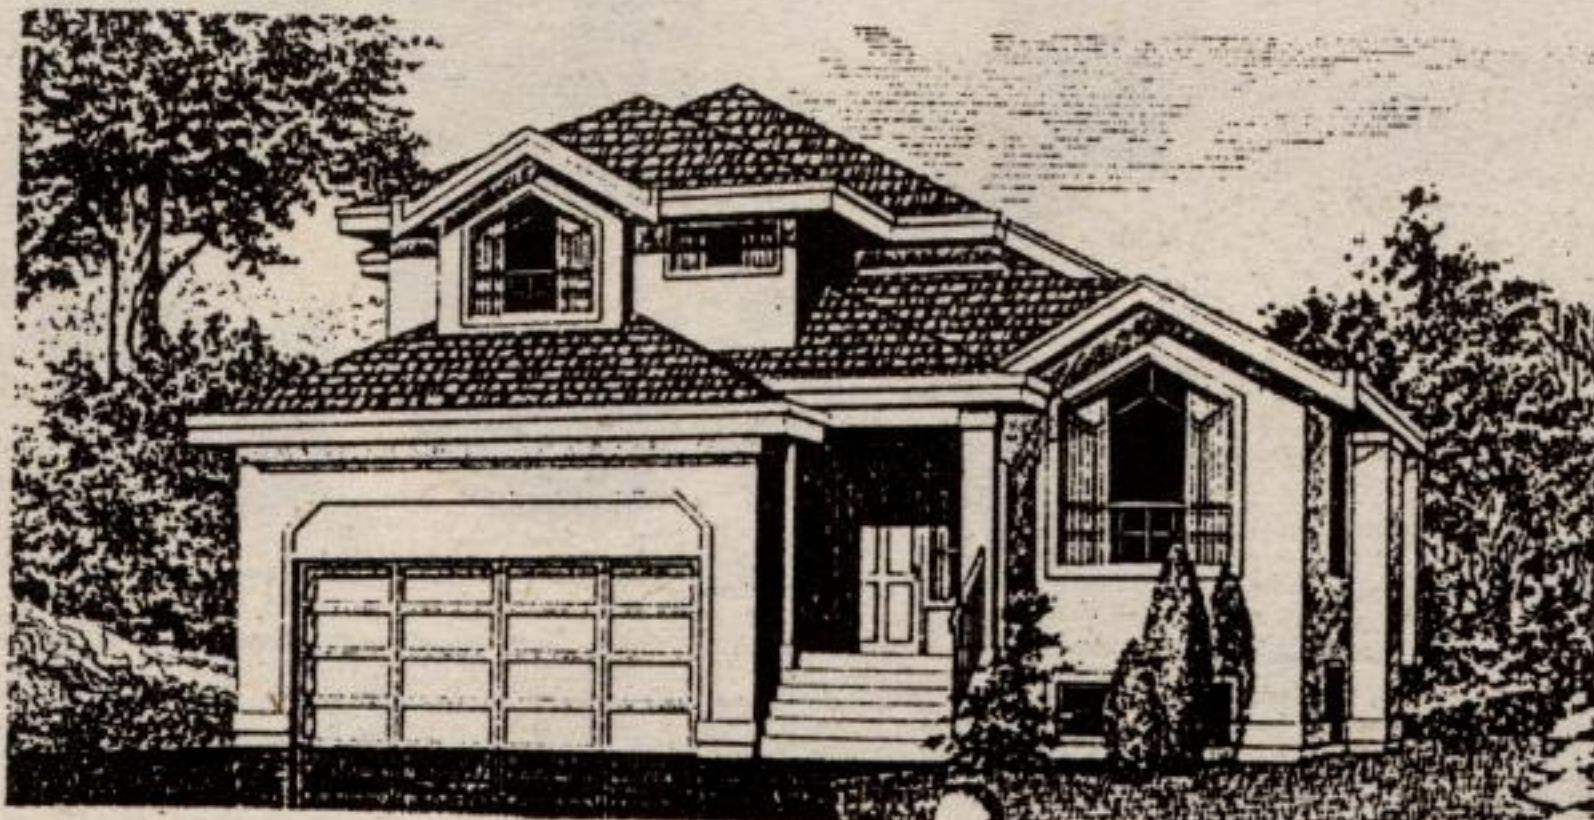

Idea may be used

Guelph-Wellington MP Brenda Chamberlain's suggestion that the CBC's funding be supplemented by membership drives will be considered by Perrin Beatty, CBC president.

Chamberlain believes annual or semi-annual membership drives are a positive step towards generating revenue for the Corporation.

HOMEPLAN OF THE WEEK!

Two storey home suits sloping lot

TYNAN DESIGN LTD. Plan #ATO21-00B To Order...
13659-108th Avenue Phone: (604) 581-5722
Surrey, B.C. V3T 2K4 Fax: (604) 581-4822

Designed to suit a lot which slopes down to the street, the garage has been dropped below the main floor level and the basement, under the den and living room, is partly exposed.

Six risers lead to the front entrance. A den, just inside the front entrance, provides an ideal location for a home office, and boasts a feature window and a vaulted ceiling. Two risers lead up to the main living area. An open plan for the living and dining room creates a spacious area for entertaining, and also features a fashionable vaulted ceiling. An efficient working layout in the kitchen offers a pantry and an open counter with a breakfast bar to service the nook. The family room is a good size providing room for a comfortable furniture arrangement.

Plans for ATO2100B may be obtained for \$440 for five complete sets of working prints and \$39 for each additional set. Allow \$15 to cover the cost of postage and handling (add 7% GST to plan total plus postage and handling). Please make cheques, money orders, Visa or Master-Card authorizations payable to Acton Tanner HomePlan of the Week, P.O. Box 150, Acton, ON, L7J 2M3.
