### Jr. Girls cruise to a win

The Acton High School Junior Girls volleyball team won both its matches in straight sets with convincing wins over Assumption and Burlington Central.

They had little trouble with Assumption winning by scores of 15-1 and 15-4. Acton was led by the strong serving of Rebecca Austin, Chrissy Pereira and Kini Genzler who all served 100 per cent. As a team they served 78 per cent.

Against Burlington Central they started strong again winning 15-2. Burlington played tougher in the second game but still fell 15-9. Austin again served 100 per cent as did teammate Emma Douglas. As a team they improved their serving percentage to 86.

### Novice Canes split week

The Novice Hurricanes split a pair of games this past week. After a week of not skating the team came out flat and fell to Welland 3-0.

In game two the Canes travelled to Niagara Falls with hopes of coming out with a win. The cane scamme out strong building up an early 4-0 lead. The Thunder got one back but that is as close as they would get as the Canes

added on more for good measure. Tyler Holmes picked up three goals on the night, with singles going to Janson Broome and Anthony Murphy. Helpers went to Jonathon Schultz (2), Deron Cousens, Blake Hamilton, Kelly Quinn, Justin Noble and Broome. Simon Sharples made some key saves between the pipes when called upon
