AHS earns a tie vs. Central

The Acton High School Rotary Hockey team picked up another point in the Halton Secondary School League last Wednesday with a tie against Burlington Central.

Acton fell behind 2-0 in the first period, but battled

back to tie the game at 2-2 before the end of the second period with goals from newcomer Scott MacDonald who tapped in a point shot from Gary Genzler, and Adam Daponte who took a great pass up the middle for a break

away goal to tie the game.

Acton scored the go-ahead goal when Derek Lockerbie scored from Dave Clark and Jason Pembleton. Acton was unable to hold on to its lead however, as Central scored the tying goal in the third.
