Young skater sets record

Special to The Tanner
The Acton Figure Skating Club is proud to honour Cara McGilloway on becoming the first and youngest Acton skater to achieve "Double Gold Medal Test Status" in one evening.

Cara, 13 years of age,

passed her Gold Freeskate test as well as her Gold Dance Test on Jan. 29 at a high test day held in Streetsville.

Cara now has only half an eighth test figure to pass, to become a "Triple Gold Test Medalist."

Congratulations and good

luck to Cara in achieving this!

Cara would like to thank the Acton Figure Skating Club for the lovely flowers. A special thank you goes out to Scott Malcolm, Carol Murphy, and Nina Timbers for the arrangement of this presentation of flowers.

INVESTMENT OPPORTUNITY

PRIVATE SCHOOL FRANCHISE

OUR CLIENT owns and operates a successful private day school in southern Ontario. It has also developed a tutoring school which responds to the growing inadequacies found in publicly-funded elementary and secondary education.

The tutoring school is unique because it can provide Ministry certification for appropriate subjects tutored through the educational umbrella of the fully-accredited private day school.

The tutoring school will now begin Stage II of its expansion program.

We are seeking qualified applicants for the following exclusive territories:

1. Georgetown/Acton/Milton
2. Cambridge
3. Guelph

If you are interested and would like to:

- Own your own private school and offer Ministry accreditation;
- Enjoy an outstanding return on investment;
- Respond to the growing demand for high quality traditional education including home school support services - with a system geared to average-income families;
- Participate in our intensive management and professional training program;
- Acquire an "up and operating, turn-key" school, thereby dramatically reducing risk,
