Petty earns triple gold, honours memory

Krista Petty has successfully completed the final test of the Canadian Figure Skating Association marking her a Triple Gold Medalist. Although, figures have been taken out of the system and replaced with skills, they have allowed skaters that were very close to completion, the opportunity to finish. Krista has spent the last six months combining intense training for Junior singles as well as devoting time to finish this test off.

At age 15 Krista completed her gold medal in freeskate and went on to complete her dance gold medal at age 17. Now just three days before her 19th birthday Krista has become the Acton member (maintaining Acton as her Home Club from when she first started skating) to hold a Triple Gold Medal and to be awarded the "Kim Petty Memorial Trophy", a trophy set up for gold medalists within the club in honour of Krista's sister Kim.

With all of Krista's testing done, she will be able to devote all of her time to an already intense schedule for her skating.

Krista trains in Guelph under the direction of her lifetime coach, Pat Boekhorst and Jeff Cann of the Guelph Figure Skating Club. Although Krista trains in Guelph year round, she has represented the Acton F.S.C. at all competitive levels and has helped put Acton the map of figure skating.

FIGURED IT OUT! Acton Figure Skating Club president Scott Malcolm congratulates Krista Petty on her figure skating accomplishments, including winning the Triple Gold Medal and the memorial award named after her late sister, Kim. (Eve Martin photo)

MEDAL HEADS: Acton figure skaters dominated the medal rounds the the Interclub competition in Mayfield, recently. Back row from left: Bronwyn Marshall (Third - open gold dance), Jennifer May (Second - senior silver dance, third - juvenile free skate), Joy Christopher (Second - free skate). Front row: Cara McGilloway (Third - gold dance), Candice Timbers (First - free skate). (Eve Martin photo)

Three skaters advance to championships

By placing in the top two places at the Interclub competition in Mayfield, Ontario two weeks ago three Acton skaters have advanced to the Central Ontario Section Interclub Championships on

March 1 and 2nd in Aurora Ontario.

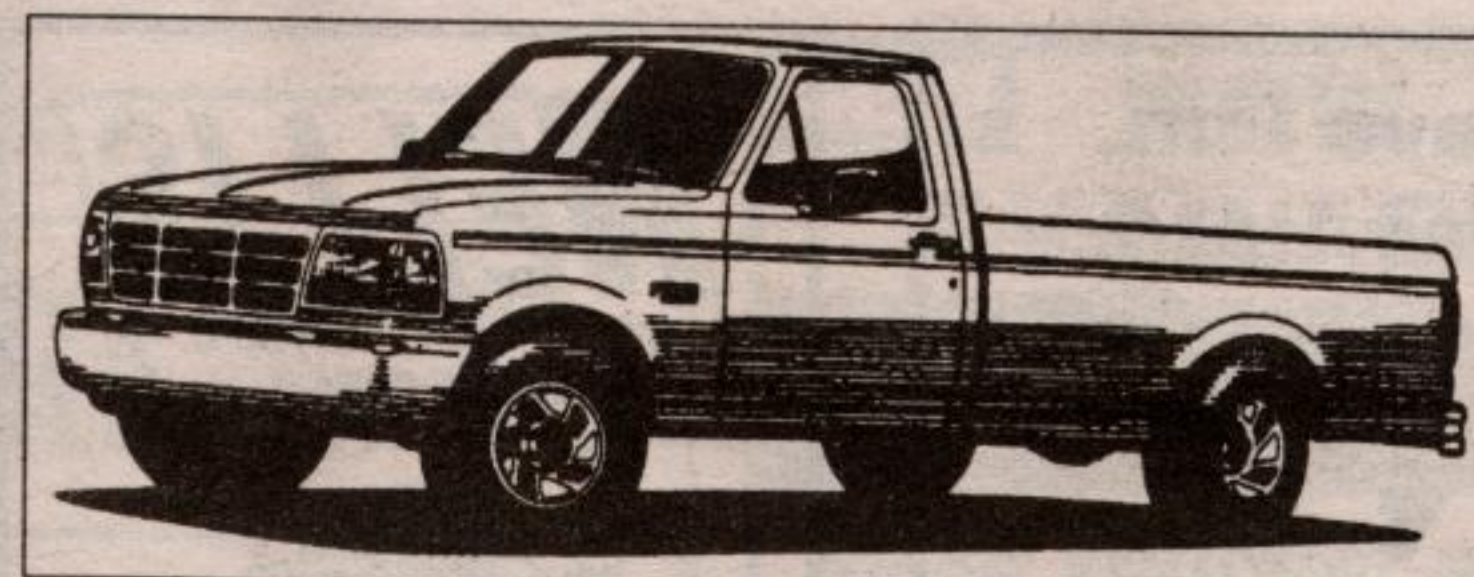

Joy Christopher who finished second in the Gold Ladies division, Jenny May who finished second in the Senior Silver Dance Division and

Candice Timbers who placed first in the Junior Silver Ladies division will be the representatives from Acton.

Some other results from the Interclub competition two weeks ago are listed below. See **SKATERS**, Page 19
