Drivers needed for Meals on Wheels

ASSIC ALERT

Volunteer drivers are needed for the Transportation and Meals on Wheels programs at ASSIC. Runners (the people who deliver the meals for the program) are also needed. If you enjoy meeting new people and like driving, then perhaps this would be an opportunity worth exploring!

Volunteers need only drive where they feel comfortable. If you would prefer to drive locally only, that's fine. If you feel comfortable with longer distances, drivers are always needed to go to Hamilton, Toronto, Guelph and Mississauga. Drivers are

given a mileage allowance and are reimbursed for out-of-pocket expenses.

To find out more about becoming a volunteer driver for ASSIC, please call June at 853-3310 or drop by the office at 19 Willow St. N.

Having the garage in the rear creates a pleasing front view, enhanced by a multi-level roof with gables, arched windows, and a grand double door entry.

Enter into a spacious foyer, open to the second storey and brightened by an overhead window. A large den close to the main, three-piece bath, would make an ideal guest bedroom featuring a stylish vaulted ceiling and a large closet. The family room and nook are comfortable for gatherings, with an open breakfast bar in the kitchen. The kitchen is efficient layout with plenty of cupboard and counter space and a pantry. The living and dining room are more formal, with a sunken floor and vaulted ceiling.

Acton found again in the Yellow Pages

Acton is once again being represented in the local Yellow Pages.

The 1997-98 Yellow Pages directories, which are currently being delivered in the area, have the heading "Georgetown-Acton and Surrounding Area" at the top of each page.

In last year's Yellow Pages, the lone title of "Georgetown" upset many Acton business owners who had paid for ads in the publication. They felt their businesses would be overlooked or simply not found by those not familiar with the many parts of the Town of Halton Hills.
