## A celebration of 175 years

BY ROSS WARK  
SPECIAL TO THE COMPASS

Bethel United Church in Drumquin is celebrating its 175th anniversary on Sunday, September 13.

The Church on the Hill dates to 1823, when Methodists met in a sturdy log structure across the road from the present Bethel.

By 1848 a frame church was constructed on land donated by John Featherston and Thomas Wise. Timbers from the Featherston bush were used in the original clapboard structure.

In 1914-15, a solid brick building was built at a cost of \$7,000. The congregation, originally Methodist, became Bethel United in 1925 when church union of Methodists, Congregationalists and some Presbyterians took place.

In 1955, Percy and Amy Merry donated land for a new cemetery at the rear of the church. Floodlights, a new driveway and parking lot were soon added. In September 1980, on the 157th anniversary, a new addition containing washrooms, a fellowship room and a choir room was officially opened by Dr. Robert McClure, former Moderator of the United Church of Canada.
