Brookville Bengals' Beat

BY PAULA GOMES
THE COMPASS

The theme for Brookville Public School during the month of February was "February Fever – Catch the Spirit."

A "Caring" tree was displayed in the front foyer. Staff and students were acknowledged for doing good deeds by having their name displayed on a heart on the tree. The tree was covered with many hearts holding names of those who had performed both large and small acts of kindness. The grade 6, 7, and 8 students also had a Valentine's Dance on Wednesday, February 9.

Mrs. Boycott's Grade Three class is to be congratulated for winning the Educational Category for the Milton Heritage awards. The students received their certificate at a special celebration at Milton District High School on Sunday, February 20.

The winter basketball regular season has finished for this year. Both the boys' and the girls' teams will have playoff games over the next few weeks. Best of luck to both teams as they finish off the season. Thank you to Dean Ford and Mike Adamson for coaching our teams with such enthusiasm.

Over the past few months Brookville school has been "Wishing Upon a Star." Parents,

students and staff (both teaching and non-teaching) were given a star and asked to answer the question, "As we enter the new millennium, what would your wish be for our school as a community of learners?" The school would like to thank everyone who provided their feedback. All of the star wishes will be included in a Star Wish booklet. The feedback ideas and suggestions will be used in the creation of the "School Growth Plan."

Second term report cards will be sent home on Friday, March 3rd. Students and parents are encouraged to read over the comments and set goals for the third term. Parents who would like an interview are asked to contact the school if an interview was not requested by the teacher. The students and staff will then be off school for March Break from Monday, March 13 to Friday, March 17.

Congratulations to the Nassagaweya Community School Council (NCSC) on the success of the first Mardi Gras Dinner and Silent Auction. Special thanks to Ingrid Von Cube and the Mardi Gras Committee for organizing this great event.
