

Brookville Bengals' Beat

BY PAULA GOMES
THE COMPASS

It's time for the annual Nassagaweya Community Spring Fair. This great event will be held Saturday, June 10, 2000 at Brookville Public School. Besides being a great family fun day, it is also an opportunity to raise funds for the school. There are many ways anyone can get involved. Volunteers are needed to organize and run the event, donations of raffle prizes or supplies and materials are required, and craft tables are available for vendors in the Giant Marketplace. Please contact the school if you would like more information or would like to help.

Volleyball season has started! Both our boys and girls teams have played a number of games. Congratulations to the Girls Grade 4/5 team for winning the silver medal at a Tournament at Centennial School. Thank you to Mrs. Boycott and Mrs. Keir for coaching the girls' team, and Mr. Jones and Mr. Adamson for coaching the boys' team.

The staff at Brookville Public School celebrated Volunteer Week by hosting their annual volunteer luncheon on April 11. The school is blessed with many dedicated parents and community members who volunteer their time to help the students and teachers.

The yearbook committee is organizing the yearbook for the current school year. They are collecting pictures of activities at the school, events or field trips to be considered for the yearbook. If you have any pictures to contribute, please write your name on the back and drop them off at the school office. Anyone willing to assist with creating the yearbook should contact the school.

Grades Three and Six students will be involved in the

Provincial Assessment of Reading, Writing & Mathematics during the second and third weeks of May. The students' work will be marked over the summer and results will be released later in the fall. Parents may contact the school for information.

The Grades Five and Six students arrived at school several weeks ago to the sight of lockers in their hallway. Finally, all students have a locker. This should help keep our hallways tidier.

Visitors on April 28 might have wondered what kind of strange students we have. The student forum hosted another

successful Spirit/Pizza Day, with "Totally Wacky Tacky Dress." Students tried to outdo each other with wild hair-dos and crazy clothes. The final dance of the school year, "Spring Fling," was held on April 26, for Grades Six to Eight students.

With all of the new development in our area, it's important for the school to know about changes in enrollment. Please contact the office if you are new to the Brookville area and have children who will be attending our school. Also let them know if your children will no longer be attending our school in the fall.

We need your help...
