Happy 86th Birthday Campbellville!

BY SUSAN HENDERSON
THE COMPASS

Campbellville is celebrating its 86th birthday. So mark the weekend of June 24-25 on your calendar and come and attend the village festivities. Last year as Campbellville's 85th birthday approached, many long time residents encouraged the CABA (Campbellville and Area Business Association) to plan an event for the occasion and they did, complete with a birthday cake cutting ceremony.

"It was a great success," said

Marilyn Goodale of Vincent's Art and Antiques. When I wondered aloud why Campbellville is having an 86th birthday, when it had been settled in 1831, the answer she provided is that in 1914 Campbellville boomed and at this time it was officially designated a Police Village.

Gable Brothers Midway will be set up Friday across from the plaza and be open both Saturday and Sunday.

"Many people who are just passing through town stop when they see festivities and rides," said Marilyn, "and there is plenty of parking."

The main headquarters for events are the steps in front of the Scotia Bank. Sun has been ordered for the weekend but just in case there is a change in plans by the weatherman the ceremonies will be dry under the overhang. Here the cake cutting will take place, with Mayor Gord Krantz and other special guests on Saturday.

On Sunday Marion's Country Band, "another car stopper," says Marilyn, will play for three hours and Clog Dancers will perform. Snigs the clown will be everywhere up and down the street entertaining young and old with her clever balloon animals. Perhaps The Face Painter will team up with Snigs and give her creations happy faces.

Campbellville has always been a baseball village with many important Ontario Championships being won. So for all you fans, a big ball game will be held at 3 p.m. Saturday with the teams being selected by Reid Kennedy and Alex Baynton. Come to the ball field and cheer on your friends. Hopefully someone will be selling popcorn but if not there will be food at other locations set up by local merchants. A lot of work has been put into planning a fun filled weekend.

See page 6 for a Schedule of Events.
