## Brookville Bengals' Beat

BY PAULA GOMES  
THE COMPASS

Although the school year is drawing to a close, Brookville Public School seems to be busier than ever.

The provincial assessment for Reading, Writing and Mathematics for Grades Three and Six was held during the second and third weeks of May. Congratulations to all of the staff and students for their hard work, determination and flexibility during this period. Thank you to the many parents who provided healthy snacks for the students on testing days. They were really appreciated! All of the student materials will be marked over the summer and results will be released in the fall.

Spring brings Track and Field meets, and this year is no exception. The Grade Seven and Eight students, coached by Mr. Ford, have taken part in a Halton District School Board Relay Meet. Tryouts for other Relay Teams, and Track and Field Teams were held during the month of May. The Junior Relays were held on May 26 and the Track & Field meet will be held Thursday, June 1. Congratulations to all of the students who tried out for the teams and to the participants! Thank you also to all of the teachers who organized and coached.

After several rain cancellations, Jump Rope for Heart was finally held on May 29. This is a unique program, combining both cardiovascular training and educational information for heart healthy living. In addition to skipping, students also partici-

pated in a variety of activities appropriate to their grade-level, such as basketball, soccer or hoola hoops. Students could also choose to raise funds to support the Heart and Stroke Foundation by securing pledges, with incentive prizes awarded based on the amount collected. Congratulations to all of our students who participated, and a special thanks to the parents and staff for organizing and assisting with this worthwhile event.

Excitement is building with our Grade Eight students, as their final year at Brookville Public School draws to a close. Graduation pictures were taken May 17. In May they had the opportunity to visit either Acton High School or Milton District High School. Grade Eight students are now busy preparing for their trip to Quebec City. They leave Tuesday, June 6 and return on Friday, June 9. The climax of the school year will be Graduation, held on Wednesday June 28 at 7 p.m. in the school gymnasium. Family and friends are invited to come out and celebrate with our graduates.

Don't forget the annual Nassagaweya Community Spring Fair Saturday, June 10 at Brookville Public School. We will have our Kids Alley, Teen Alley, Food Court, Marketplace and Giant Raffle, as well as numerous other fun, family-oriented activities. It's not too late to help out and get involved! Volunteers are

needed to set-up and run the activities. Donations of prizes for the giant raffle are always welcome. There is still space for vendors in the Giant Marketplace. Please contact the school for more information or to help. We hope to see many of our Brookville community out as we celebrate "Families and Fun Together."

Many students have been singing and dancing to practise for the annual Lip Sync Contest. Initial judging took place May 31. Finalists will perform in the centre courtyard at the Annual Spring Fair. Congratulations and best of luck to all of the participants!

The final Nassagaweya Community School Council meeting will be held on Monday, June 5. Nominations for next year's School Council are now being accepted. As well as parent representatives, we also need Community Representatives. Please contact the school office if you would like more information. Parents of our new Fall Kindergarten classes are invited to become involved too!

Thursday, June 29 will be the last day of classes for students and final report cards will be sent home. Families moving into the area are reminded to notify the school if their children will be attending Brookville Public School in the fall. Please also let the office know if your children will no longer be attending next year.
