

March Break is over, and students and teachers alike are settling into their daily routine for third term.

The All-Star Reading program is now in full swing at Brookville Public School. A special coffee time was held

for all of the coaches on Friday, March 9. This unique program pairs parent volunteers with Primary students to help them learn to read. Each week students learn a specific reading strategy that they can use to improve their reading. Thank you to

all of the parents who volunteer their time for this program.

The yearbook committee has been formed, including staff, parents and students, and is gathering pictures for this year's yearbook. Team and club photographs were taken before March Break. If you have any pictures of events from this school year that could be used for the yearbook, please contact the school office.

Junior Boys Volleyball season has started, under the direction of Mr. Jones and Mr. Adamson. Tryouts began the week after March Break for the school team. Good luck to all of the boys involved!

Congratulations to both the Girls and Boys Basketball teams. Our Girls' team was Tier II Champions for North Halton, and our Boys' team was one of the Tier II Finalist. Way to go Brookville! Thanks also to the coaches - Mr. Nodwell and Dr. Christine, who coached the Girls' team, and Mr. Smyth, who coached the Boys' team.

Anyone visiting the school on

Friday, March 2, might have thought we had a lot of lazy students who liked to sleep in! It was Pajama Day, and many students took the opportunity to be lazy that morning and not bother getting dressed. This was also another Pizza Day, giving parents a break from making lunches for their children. Thank you to the Student Forum for another successful Spirit Day!

Friday, March 23, our students were treated to a special musical program. The Toronto Philharmonic String Quintet visited Brookville School, performing two concerts. The string quintet included a first and second violin, a viola, a cello and a double bass. Each member of the quintet demonstrated his or her instrument for the students, and a

number of selections were played. Thank you to Mrs. Stephanie Kimmerer for organizing this special event.

With Spring officially here, the volunteers for the Annual Spring Fair are intensifying their efforts. Plan on being at the school on Saturday, June 9 for a day of family fun! However, we can't do it without you! If you are interested in helping with organizing and planning the fair, volunteering on the day of the fair or would like to donate an item to the Giant Raffle, please contact the school.

The staff at Brookville Public School is also starting to plan for next year. If your family will be moving out of the school area by next September, please let the school know as soon as possible.

Campbellville Area Business Association

spring. Marilyn also informed us that the Campbellville flyer is ready for printing. A concern was raised regarding the water situation at Mohawk. Cindy Lunau will be looking into this further. A suggestion was made to place a call to the Health Department to inquire about this problem to satisfy your own concerns about our water safety. CABA members and

Campbellville residents were asked to attend the Milton Town Council meeting on Monday March 19 at 7:30 p.m. to support Margaret Lott in her effort to keep her Tea Room in business.

**Ken Keates:** Regarding Campbellville Pond central park - The Conservation Authority has no objections to the Town of Milton purchasing this area. Ken suggested in order for this to happen, an interest needs to be shown for the multiple uses for the park for various activities throughout the year. It was decided that a committee needs to be formed. Ken Keates, Kathy Johnson and Reid Kennedy have agreed to be a part of this committee. A few names were suggested and they will be contacted to see if they have an interest in participating. If you wish to be part of this group, please contact Marilyn Goodale at 854-1244.

Nick Cortese was scheduled to attend this meeting to give us an update on the new plaza. Efforts to reach him were unsuccessful. Perhaps he will be able to attend our next meeting. Marilyn Goodale spoke to Nick the following day and he will drop off plans for the plaza at Vincent's Art & Antiques for viewing. The next meeting will be held on April 11, 2001 at 7:30 p.m. at Bruce Trail Eatery. Anyone wishing to join us for dinner prior to the meeting please come at 6 p.m. Hope to see you there.
