## CABA Minutes May 9/01

Update: Campbellville Birthday Celebration, June 23 and 24: The town crier has been booked, the clown has been booked for two days, the Swift Kicking Cloggers will attend and the music has been booked. Cristello's Foodmart will be holding their art display the same weekend. CABA will donate money for the giveaway pop. Dawn Murphy is looking into entertainment for the Conservation Park. She will be checking into a petting zoo and pony rides. Marilyn Goodale is contacting Joyce Savoline for the cake cutting on Saturday, June 23 at 2 pm. She is also

contacting the Renaissance Festival committee for their participation.

Banners: 75 banners have been approved. Thirty brackets are currently in place on the poles. Extra brackets will be required but there will be some banners left over for replacement as some become damaged over time.

The town cleanup on May 5 was a success. Much appreciation goes out to those who contributed

their time.

The next meeting will be held on June 13, 2001 at 6:30 pm as a BBQ at the Streetcar Museum on Guelph Line. Gord Krantz, Cindy Lunau, Barry Lee and Joyce Savoline will be contacted and invited to attend. Councilman Ken Keates is a regular attendee at the meetings and will also be present.

## Campbellville Chiropractic open now

by Donna Danielli

Feeling a little twinge in your back from all the gardening you've been doing? Help is now no farther away than Campbellville. Dr. Mark Fleet, owner and operator of Campbellville Chiropractic Centre, is open for business at 35 Main Street, Campbellville.

"I think there's a fairly large rural population that have to travel to Milton or Burlington for care," Dr Fleet explains. "With more people going to chiropractors now than ever before, there's a real need for a chiropractor in an area that services the rural population."

Dr. Fleet is available Mondays and Wednesdays from 3 to 7 p.m. with the rest of his week spent at the Trafalgar Wellness Centre where he has had a practice for the last three and a half years.

"I've been looking at Campbellville for about three years now," says Dr. Fleet. "I'm originally from Sarnia, but I came here to McMaster University, and really enjoyed this area. Other than to go to Chiropractic College, I've never left."

Since opening the Campbellville Chiropractic Centre on April 9, 2001, business has been steadily increasing for Dr. Fleet and his assistant Liz. Dr. Fleet has made a point of introducing himself to local neighbours and the Campbellville Area Business Association.

"I'd like to introduce myself more to people around town," says Dr. Fleet, adding that "it's been great so far. People have been very friendly and open."

For more information, or to book an appointment, Please call Dr. Fleet's office at 905-854-2444.
