

Halton District School Board A Celebration of Student Excellence

**Brookville Public School:
Andrew Basso**

Andrew Basso has been chosen as the school's representative of Student Excellence for his academic excellence, leadership, involvement in sports, student forum, bus duties, Think Bowl and Scouts. Andrew has learned how to use his strengths to more than compensate for areas that prove difficult! He has achieved this wonderful award due to hard work and dedication.

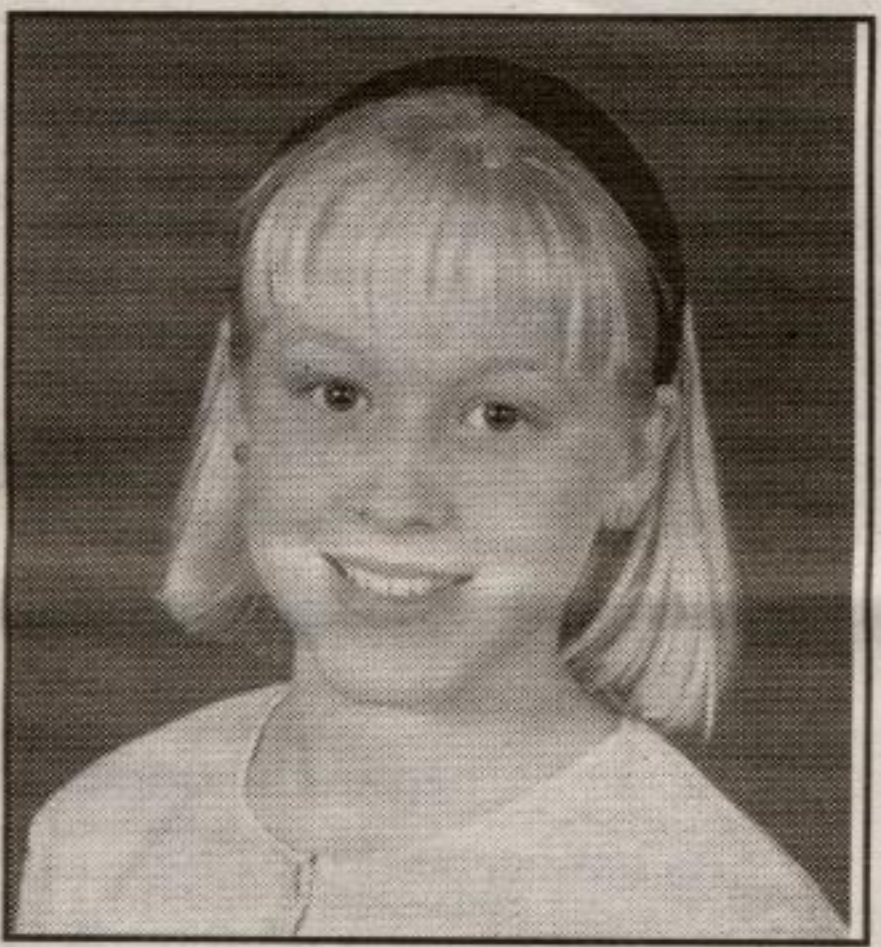

Glen Williams Public School: Emily Dobson

Emily is a caring, considerate member of our school community and approaches everything she does with commitment. As well as having strong academic skills, Emily is involved in extra-curricular activities in the school including Chess Club, Choir, Cross Country Team, Recycling Club, Volleyball Club, Skipping Club and the Think Bowl Team. Emily demonstrates outstanding leadership and citizenship qualities in all her activities.

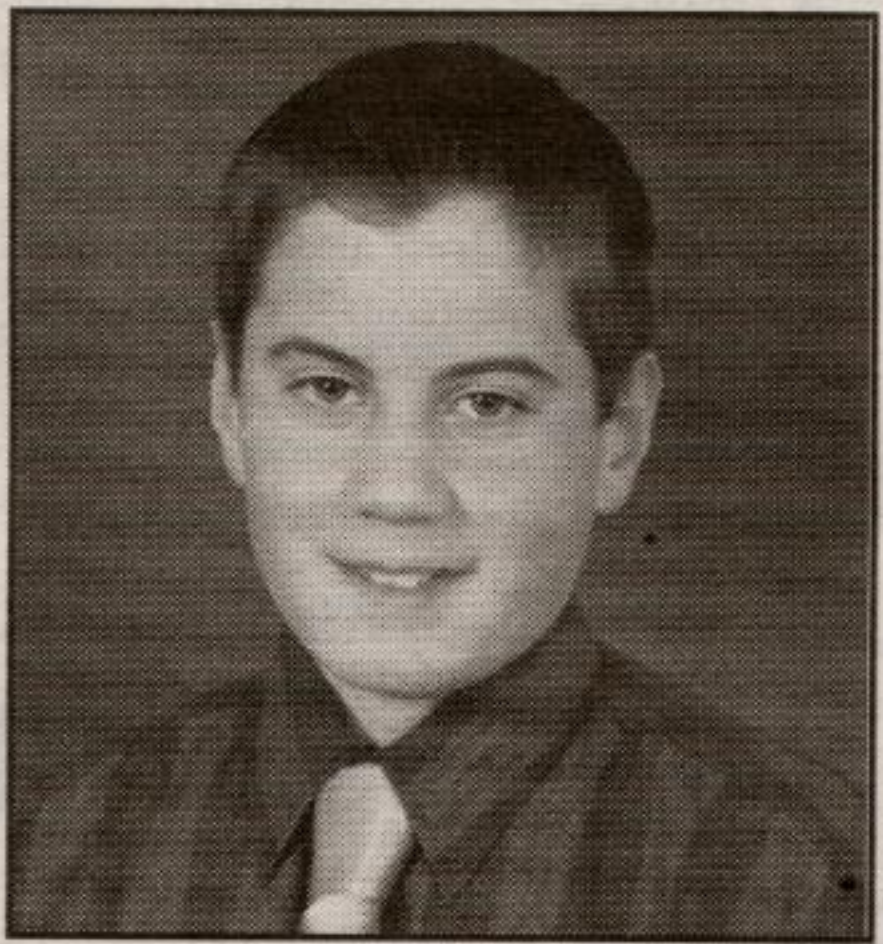

**Limehouse Public School:
Ashley Nixon**

Ashley is a pleasant girl who is an "all around" student at Limehouse Public School. She has achieved high academic standards while being involved in athletics, music, and clubs. She sets high standards for herself and is always willing to help out. Ashley sets a fine example for her fellow students and is a friend to all.

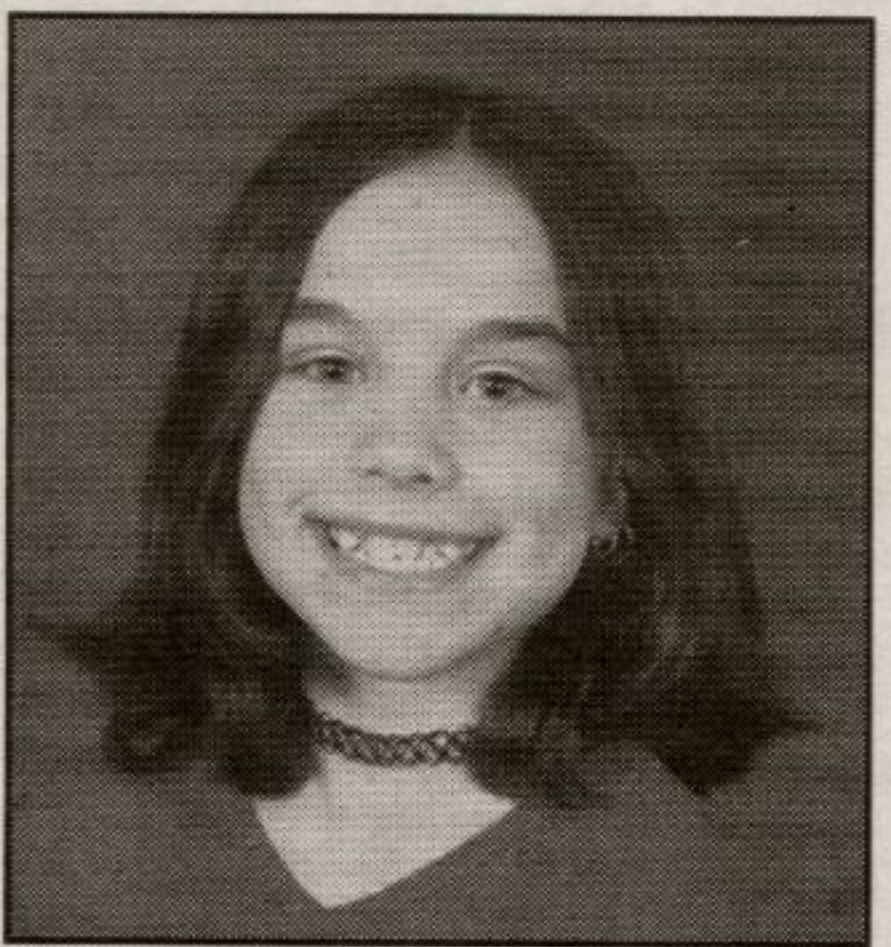

P.W. Merry: Thomas (TJ) Snow

T.J. excels not only academically, but in all aspects of the school community. He is a kind and considerate helper who helps regularly with our young Kindergarten students. He is active in sports, is co-operative and pleasant, and is an excellent role model to our younger students - as well as to his peers.

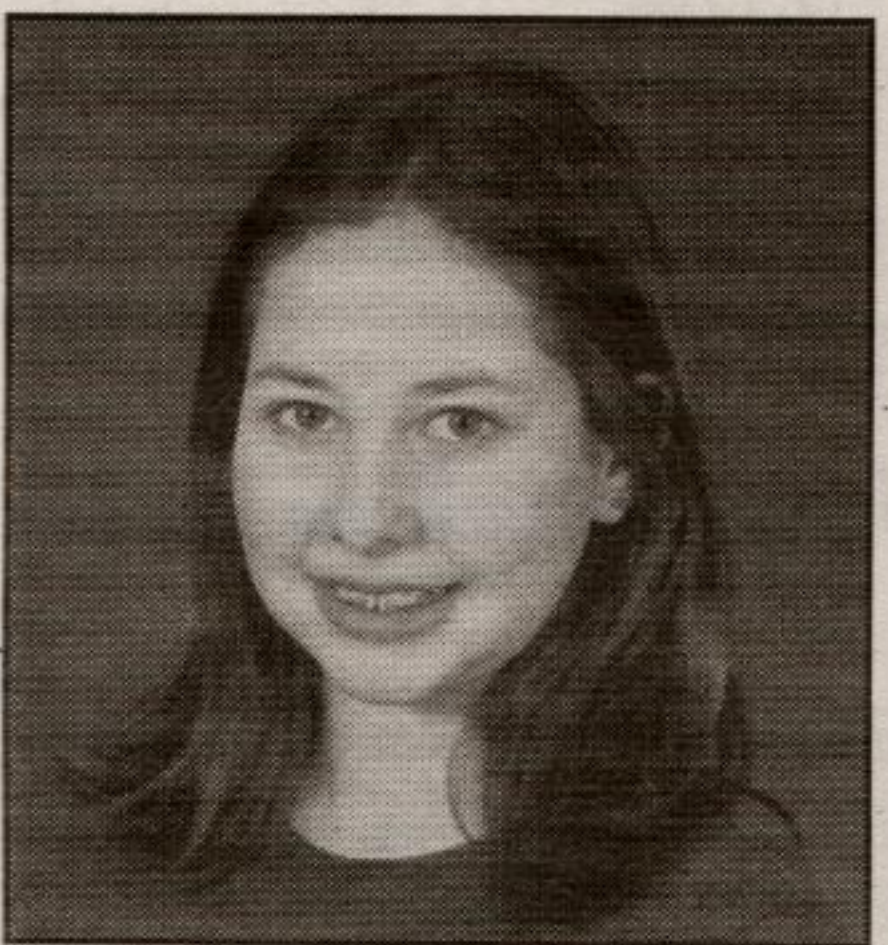

**Pineview Public School:
Christine Allison**

Christine consistently demonstrates leadership abilities in all facets of her school life. She always displays a positive attitude, is highly motivated in her academic endeavours and is an excellent participant in sports and clubs.

Stewarttown Senior Public School: Robyn Hyndman

Robyn is an all-around student, involved in many extra-curricular activities, including choir and band, student council and helps in the school office. Robyn is a great 'organizer' often orchestrating class events down to the last detail. Robyn's academic achievement is excellent as well. Robyn has been a model of student behaviour and consistently interacts with others at a very mature level.

Park planned in memory of young girl

by Donna Danielli

Brookville was struck by tragedy nearly a year ago when five year old Sarah Boucher lost her life after being hit by a car. Her mother, Deneen Campbell-Boucher, would like to take steps to make sure no other family goes through the anguish her family has suffered. It's her goal to build a safe place for the children of Brookville to play; a playground in memory of Sarah.

"We're still at the beginning stages," Mrs. Boucher-Campbell said. "I've been in touch with Little Tykes and they've told me I need to raise about \$25,000 for a proper playground."

Donation cans, with funds going directly into the playground fund, have been set up at Brookville Market, Scotiabank and CloverFarm, but more fundraising events will need to take place. Possible fundraisers may include a baseball tournament or help from Zellers Friends of the Family.

Funds are being placed into a special account at Scotiabank in

Campbellville. Brookville School Principal Rick Nodwell will act as a non-family signing authority on this charitable account.

The playground will be built on land donated by Churchill Estates and it is hoped that the

playground can be built and dedicated in Sarah's name by the spring of 2002. For more information or to donate to the Sarah Boucher Memorial Park, please call Deneen Campbell-Boucher at 905-854-2410.
