

Milton Council Briefs

by Cindy Pearson Lunau

November, 2001

SPECIAL DAYS: November 20 is National Child Day.

REMEMBRANCE DAY: November 11. Remembrance Day Parades and Services will be held on both November 4 and 11 to allow the Royal Canadian Legion, veterans and grateful citizens to observe this occasion at both Milton and Haltonville cenotaphs. The Nassagaweya ceremonies will begin with a Parade at 2 p.m. and Memorial Service at 2:30 p.m. on Sunday, November 4, proceeding to the Haltonville Cenotaph (corner of Guelph Line & 15 Sideroad). The Milton parade and service will be held on Sunday afternoon, 2 and 2:30 p.m., November 11.

GTSB: The Greater Toronto Services Board will meet through November 30 in order to complete project and GTSB Functions as a result of the Provincial decision to dissolve this Board.

SPEED LIMIT POLICY: Council accepted a report which recommended continuation of the current speed limits, with the provision for considering changing limits in site-specific areas.

STOKREST ESTATES: This subdivision proposes 34 homes on 46 acres at the west boundary of the Campbellville Hamlet, between Campbell Avenue and Reid Sideroad. Council directed staff to continue with the Technical Report that will address crucial issues such as water supply, septic, traffic, and other local concerns. The required public meeting was held October 22. However, interested residents can still review the plan and are encouraged to submit comments. Call Barbara Koopmans at the planning department, ext. 2311. The Technical report is expected to be complete early in 2002.

GUELPH LINE: Reconstruction of the Guelph Line continues with the section between 15 and 20

Sideroads now being studied. The Region will hold an Open House for this section on Thursday, November 1, 5:30-6:30 p.m., Nassagaweya Community Centre, Brookville, to receive comments. The project is planned for Spring, 2004.

ABANDONED PITS & CHEQUES: David Sterrett of the Ontario Aggregate Resources Corporation presented Milton with a cheque for \$369,600, representing the Town's aggregate resource fees. He also provided a video and information on the aggregate rehabilitation fund which rehabilitates abandoned pits, quarries, large and small, at no cost to the landowner. If you feel there is an area on your property that may qualify, call TORAC at 905-319-7427 or email djsterrett@toarc.com for more information.

MEDICAL CONCERNS: Milton now has Prime Care, a walk-in Clinic staffed by local doctors, ideal for non-emergency medical concerns. Appointments are not necessary or even available. The clinic is open Monday through Thursday, 6 p.m. to 8 p.m. at 75 Main Street East, Suite 16 (across from Zak's Pharmacy.)

FLU SHOTS: Free flu shots are offered through the Health Department to all residents over 6 months of age. Local locations are Nov. 1, 3 - 8 p.m., Acton Seniors' Recreation Centre; November 13, Milton District High School; Nov. 21, Bishop Reding Secondary School.

OMB HEARINGS: The Ontario Municipal Board has or will, deal with a number of issues of interest to rural residents. In September, a challenge to the location of a pro-

Letters to the Editor

(Continued)
 Board say "our hands are tied" or give us all kinds of explanations that we don't understand, and our government doesn't get more involved in setting and enforcing standards, what are we to do to help our children? We need another teacher back at our school and we need to set a definite limit on class sizes. There are millions of dollars going into road improvement in this province. Aren't our children more important?

CIVIC FACILITIES STUDY PUBLIC OPEN HOUSE

Milton Council and Town Staff are reviewing development options for three significant public facilities in the Town of Milton:

- Town Hall
- Arts & Culture Centre
- Public Library

An open house and presentation will be held on:
 Tuesday, November 6th, 2001
 Hugh Foster Hall
 5:00 p.m. to 8:00 p.m.
with a brief presentation from the consultants at 7:00 p.m.

We value your input and hope that Milton residents can join Town of Milton Staff on November 6th, to receive an overview of the options to date and provide input into these future significant public facilities. For further information, please contact Jennifer Reynolds, Director of Community Services at 905-878-7252, Extension 2180.
