

Brookville Bengal's Beat

By PAULA GOMES

Brookville Public School will be celebrating "The Year of the Tiger" with their annual Spring Fair on Saturday, June 8.

This day of family fun will include activities such as Kids' Alley, Cake Walk, Bouncy Dome, Lip-Sync Contest, Giant Raffle, Community Displays and much more. Volunteers play an important role in this community function and are always welcome to attend.

Additional community involvement is also needed with donations for the giant raffle. If you are interested in helping in any way with this worthwhile community event, please contact the school at (905) 854-2205.

Brookville Public School is to be congratulated for their participation in Hoops for Heart on Friday, May 10. Students collected pledges for participating in physical activities such as skipping and basketball. They raised \$14,285 for the Heart and Stroke Foundation.

Besides raising money for a worthwhile cause, the students and staff had a fun day of physical activity combined with cardiovascular training and educational information for heart healthy living. A special thanks goes to Mlle. Domenech for organizing the event.

A new waterfall garden has been added to the front entranceway at Brookville School. A special ceremony was held on Thursday, May 16 to formally dedicate the garden in memory of Sarah Boucher. The waterfall was purchased with donations from students and parents and was

installed by Mrs. Kelly MacIntyre.

Brookville School is growing! Enrollment for this school year, which had been forecast at 452, was up to 472 as of the middle of May.

This is the first time in four years that enrollment has been higher than forecasted. It is also a reminder of the importance of families moving into the area before September to notify the school about children who will be attending in the fall.

Congratulations to Jill Martin, the winner of the Award of Excellence for Brookville School. (See page 4 of *The Compass*).

Brookville's Grade Eight volleyball team is to be congratulated for a great season. They finished the year with four silver medals, winning four out of six tournaments entered.

The Grade Eight students travelled to Quebec City on Tuesday, May 28, and returned Friday, May 31 with Mr. Rick Nodwell, and several other staff members and brave parents.

This annual class trip provides a great opportunity for students to visit the historical city and practice the French they have been learning.

As the school year draws to a close, the Grade Eight students' thoughts are also turning to graduating. The graduation ceremony will be held on Tuesday, June 25 at 7 p.m. in the school gymnasium.

The last day of classes for this school year is on Wednesday, June 26, with early dismissal at 1:20 p.m.

30 years and still going strong

Five Rockwood & District Lions Club members received the International Association of Lions Clubs Lifetime Membership award in April. The men have been with the club since its inauguration 30 years ago. From left to right are: Jim Nellis, president; award winners Jim Milne, Darryl Nichol, Walter Swanston and Gord Ostrander. Unable to attend that night for the receipt of his award was Grant McRae.
