

San Antonio Southern Bakery & Bistro

Thanks Campbellville!!!

Now licenced under the L.L.B.O.

On June 23rd, many friends, family area residents and dignitaries came to celebrate the Grand Opening of San Antonio Southern Italian Bakery and Bistro. The Village Square extends their sincere appreciation to all our supporters throughout this development.

The presence of Town of Milton council members and staff during the grand opening made the Cortese family feel truly honoured to be part of the close-knit family comprised of the Town of Milton, the Campbellville community and the Village.

Leaders of our community such as Barry Lee, Regional Councillor, and Ann Bouch of Milton's Planning Department were two of this project's leading supporters. People like them ensure that this community will remain one of the cleanest and safest neighbourhood within the GTA area.

Special thanks to Milton councillors Cindy Lunau and Ken Keates, also very active members of our community. We further would like to thank Jack Starr, Gary Jansen and all building department officials.

The Cortese family sends a sincere thank you to Philip Antonio, Mel Iovio and Jennifer Reynolds of the Planning Department, and community services for their full support with the Public Washrooms and Town Planning. There is also a very special thanks to our immediate and surrounding community in the village, especially to Marilyn and Vincent of Vincent Antiques. Pat and John Was of International Trading, Tim Smith and Wayne Pyke of Cyril Stevens and Mary Anne Moore of Moores Resources also deserve a huge thank you. Also, a truly great appreciation to Mae Cresc residents Frank and Susanne Zolnai and Roy and Joyce Purgave, who gave the Village Square their utmost support along with the complete Mae Cresc. residents.

Finally, we thank Mayor Krantz for his full support of the development of the Village Square.

When our family invested in Campbellville, we did so with the intention of moving here to build something that would provide both a livelihood and promote business in the area. We did so by building three state-of-the-art buildings which enhanced the charm and beauty of Campbellville without disturbing its natural and quiet environment.

Milton Mayor Gord Krantz is joined by the Cortese family and prominent Milton citizens for the official opening of San Antonio Southern Bakery & Bistro on June 23.

San Antonio Southern Bakery and Bistro will offer its customers authentic Italian Food with a Mediterranean flavour, prepared in the old fashioned way, as was done by the Cortese Family in our hometown in Italy, since the late 1800s.

We are here to please our customers and will prepare such foods as succulent veal chops, veal scaloppinni, steak, seafood, grilled eggplant, mushroom, red peppers and zucchini. Also delicious veal cutlets, Italian sausage, meatballs, chicken, assorted pasta dishes, pizza, panzeratto and calzone. Of course, we also carry fine Italian breads.

At the end of your meal you can enjoy delicious Italian pastry such as Sicilian cannoli accompanied by a good espresso or cappuccino and fine after dinner Cognac, or you might choose to indulge in gelato instead. Of course we carry the finest imported wines and beers to enhance your meal too. We will also have Italian cold cuts such as prosciutto, porchetta, provolone, parmiggiano, grana padano, reggiano cheese, capocollo and salami.

Our chefs are award winners in Mediterranean cuisine. Our cooks are well trained as they also were brought up in Grandma's Italian kitchen.

We invite you to try our foods and to meet our friendly staff who are eager to make your visit at San Antonio a most pleasant and memorable one. Once again, thank you for your support and for being here to share our celebration.
