## Jennifer Ashleigh Foundation Charity Race

BY DONNA DANIELLI

Mohawk Raceway once again proved its commitment to the community and those in need with the annual Jennifer Ashleigh Foundation Charity Race which was held Sept. 6.

Since 1990, the Jennifer Ashleigh Foundation has assisted chronically and seriously ill children and their families with special treatment needs, medical expense and financial assistance in times of need.

The Foundation is named after the granddaughter of Norman Clements, owner of National Sports Centre. Jennifer only lived six months before dying of Spinal Muscular Atrophy, the same disease which also claimed her sister's life

two years later.

Mr. Clements, in co-operation with the Woodbine Entertainment and Mohawk Raceway, brings ill children and their families to the annual race.

After a sumptuous dinner in the Terrace Dining Room, the children are given the chance to visit the paddock and meet the drivers. The drivers chose to donate a part of their evening's winnings to the Foundation, and the evening's festivities were capped off with a donation by Mohawk Raceway to the Jennifer Ashleigh Foundation of \$10,000. Congratulations Mohawk on showing your heart and helping out those who need you.
