

Achilles Mazda ... Your Hometown Dealer

*Thank you, Halton Hills,
for your patronage over the years!*

SILVER LINING: Achilles Mazda started their 25th anniversary with a prestigious moment. The family-owned dealership was presented with the President's Club Award from Mazda Canada. The award is the highest recognition presented to a select group of dealers based on many factors including sales, service, and business practices. The family was also presented with a long-time service award. Achilles Pelitis, wife Litsa and son Achilles Pelitis Jr. recently received the award from Mazda Canada's A.L. Harold, Steve Knopf, and Phil Stiles.
