NATURE'S FIRE

Quality Educational Toys, Games & Activities

Christmas shopping can be frightful
But I know a store delightful
It makes shopping so less dire
Nature's Fire! Nature's Fire! Nature's Fire!

It's a puppet that Jenny's wanting
Their free gift wrapping I'll be flaunting
A K'Nex set Jamie won't shun
This is fun! This is fun! This is fun!

A cool science kit for Sammy
A craft kit is right for Pammy
There's a sports board game for Lou
I can do! I can do! I can do!

Thomas the Train is just for Andy
and Groovy Girls are great for Mandy
That Arti'Stick sure looks fun
I am done! I am done! I am done!
