"THE DAWN OF THE DREAM"

## THANK YOU SLOTS

BY BRENDA MATHIES

The positive impact of Mohawk Slots has once again been noticed. On January 17th, MPP Ted Chudleigh presented Mayor Krantz with a cheque for over \$1.5 million during a quiet ceremony at the Milton Town Hall.

This represents the Ontario Lottery Commission's third quarter contribution for October to December 2002. In total over \$6 million was granted to the Town of Milton last year. Milton uses this money to finance many capital improvements and the Milton Community Fund.

CABA MINUTES January 8, 2003  
ATTENDANCE: 7 people attended the monthly meeting at the Trail Eatery.

**CHRISTMAS PARADE** - Once again Glenn Goldstraw did a great job organizing the annual Santa Claus Parade with a fine gathering of bands, floats and displays. There was good support from the many spectators who enjoyed this event. Maybe next Christmas more streets will organize parties and even enter floats. CA Towing again generously provided the vehicle for CABA'S float. Renovations to the float are planned for the summer.

**CHRISTMAS DECORATIONS** - To be put up by mid-November. Cost effective plans were made for decorating the trees in the Pond Park and for additional decorations on the Hydro poles along the

## CAMPBELLVILLE COUNTRY NEWS

Prepared by Harry Yates

Next meeting will be held on Wednesday, February 12, 7:00 p.m. at The Trail Eatery.

route of the Parade. CABA appreciates the support and work performed by Jennifer Reynolds and her personnel of Community Services.

**ORGANIZATION** - Dawn Murphy has taken on the position of Treasurer. Sophie Chaney is no longer able to act as Secretary: she will be missed. Harry Yates will take on these duties temporarily (he hopes).

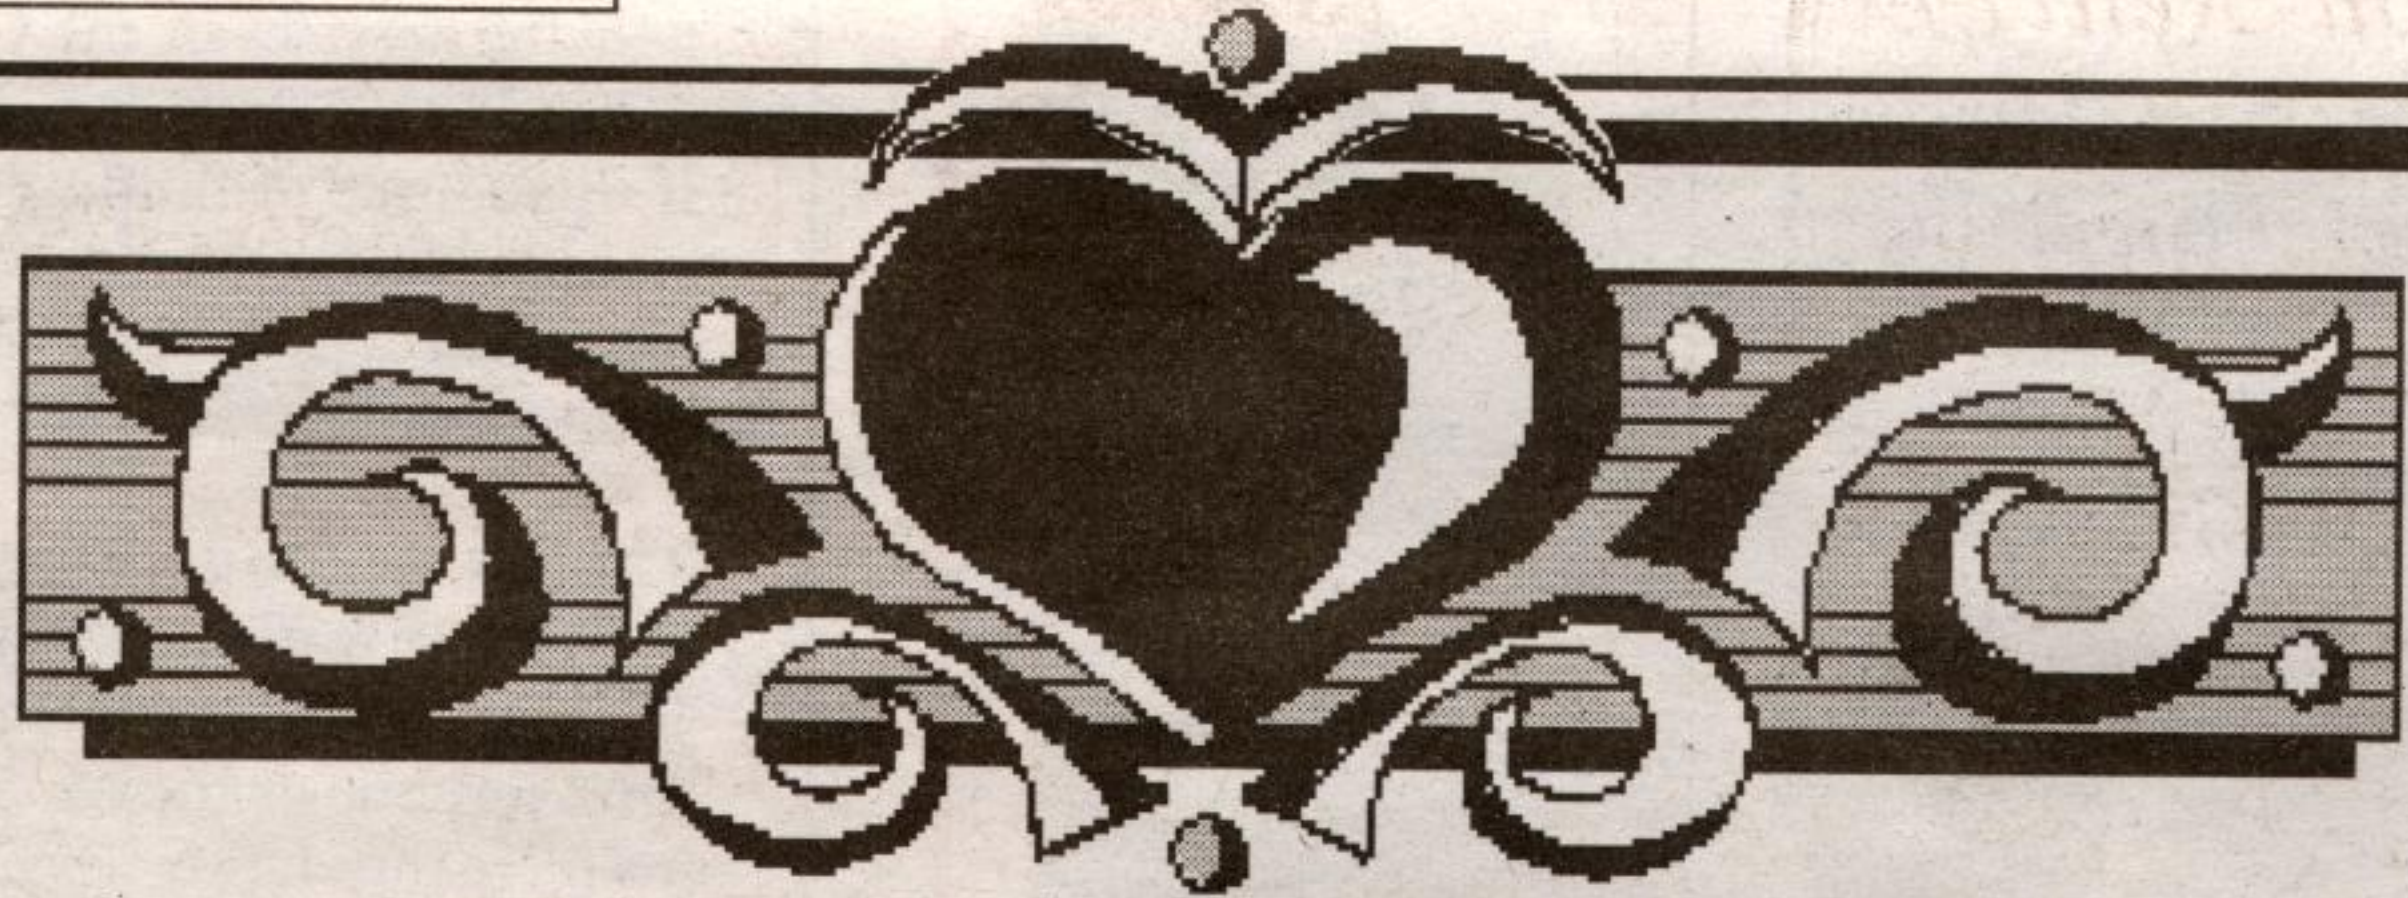

**PROMOTION** - The Campbellville flyer, which is distributed at various tourist information centres, and is included in the DayTripper and mail drops, has successfully promoted both the Village and local businesses. Marilyn Goodale will coordinate the preparations of the 2003 edition. Other advertising will be handled by Dawn.

**BEAUTIFICATION** - A sub-committee

headed by Ruth Hall has plans underway to continue the clean up of the hedge along Campbell Ave W. The Works Department has undertaken cleaning up and planting in the area opposite St. David's Church. Richard Cooper of the KOA Campgrounds has donated a bench that will be installed at this location. It is hoped that many merchants and householders will participate in a summer program to purchase and maintain flowering hanging baskets. Discussions have already been held with the Works Department regarding the spring planting of all the flowerbeds. Councilor Keates is working with Conservation Halton to put in place a satisfactory maintenance program for the Pond Park.

Planning is under way for the various Village Events arranged by CABA.
