

Memories

Alexander and Andrewetta (Kerr) Fleming. Their sons James and Alexander were born there. In 1927 the farm was sold to settle James's estate. Stuart and Mary moved into a house on the west side of the property, south of Boston Church. They lived there for several years before moving to Martin Street, Milton, in 1943. Many former students will remember them as caretakers at Martin Street School in the 1960s.

Their son Jim served in the armoured corps in WWII, and son Alex served in the infantry. After the war Jim worked as a painter and carpenter. In 1950 he began work with Snow Construction of Oakville where he was employed for 20 years as a superintendent of construction. He married Marie Wheeler of Milton. From 1954 to 1970 he was a piper with the Lorne Scots Pipes and Drums. He traveled to the Edinburgh Tattoo in 1960 where his band placed first in competition. He was an avid supporter of Milton Minor Hockey, and was a member of the Oakville Chamber of Commerce. He died in 1970 of cancer, predeceased by daughter Lynne. Son Richard is employed by Milton Hydro Distribution, and son Brent is employed by Hamilton Hydro. They and their families live in Milton. Alex worked first for Adams Hardware in Milton. He married Margaret Hargreaves of Milton. He later was employed at P.L. Robertson Mfg. in Milton until his retirement. Son Glen is employed at Air Canada. He and his family live in Oakville. Son Michael went to Sweden to coach hockey in the early 80s, and is living in England now.
