STAGES OF DENTURE CONSTRUCTION

"IMPRESSION": A mold is taken of your gums. A plaster/stone model is then poured. The exact replica of your mouth will enable us to build you a precision-fitting denture.

"BITE BLOCKS": The bite establishes the correct position your jaw should be in when they come together. A wax bite block is used to establish this position. Other points of anatomical interest will be marked on the block at this time.

"TRY IN": Type of teeth are selected, and they are actually set up with wax in a plastic denture. This enables us to move teeth around and change them, until we have achieved the desired look and function. Only when you are happy with the look do we begin the long involved process of fabrication and the finished product.

"INSERT": Today is the day you've been waiting for, the day you get your new dentures. We'll insert your dentures, and make any necessary adjustments. You'll then be informed of the best methods for good oral hygiene and denture care.

"ADJUSTMENT": New dentures can take up to a month or even longer to settle into your tissue. You will probably experience tender sore spots during this period. Be patient! If you get sore spots, give our office a call. That's what we're here for!

We care about your smile!

Just Kidding

March is one of my favourite months of the year. There's still snow crunching under your boots but you can almost see spring peeking over the horizon. Plus, there are so many great things to do with your family in March. Try some of these events.

Join in the fun at the **Flapjack Olympics** at Mountsberg on March 2nd and 3rd. Events include the pancake-obstacle course, the high-flipping event and the pancake stack. Learn how maple syrup is made while enjoying these pancake related activities. For more information, please call 905-854-2276.

It's **Sweetwater Day Celebration** time at Crawford Lake on Sunday, March 16th. Activities for kids include hands-on maple syrup making demonstrations, longhouse lore and more. You can get more information by calling 905-854-0234.

Upstairs at Loblaws has cooking fun for all ages this month. Parents and tots aged 3 to 5 are invited to a **Snuggle Up Book Club** on Monday, March 24th from 10:30 a.m. to 11:30 a.m. Bake banana muffins together and then snuggle up to read a favourite Curious George

book. Cost for this class is \$7. **Kitchen Kids** is offered to kids aged 6 to 11 who want to decorate an Easter Bunny Cake. Basic piping and decorating skills will be taught at this class on Saturday, March 29th from 10 a.m. to noon at a cost of \$15. The Cooking School also is offering a **March Break Camp** for ages 8 and up. Each day of the camp focuses on a different theme ranging from eating your veggies, baking bread and having fun with food. Class size is limited to 24 so early enrolment is essential. Each class runs from 9:30 a.m. to 12:30 p.m. at a cost of \$15 a day or \$70 for the entire week. To find out more about any of the Upstairs at Loblaws cooking classes for kids, please call Christine Thomas at 905-875-6871.

Country Heritage Park is once again offering a **Spring in the Country**. Meet the farm animals, and enjoy show-and-tell in the 1910 schoolhouse, costumed historical interpreters and more. Hours of operation over the March Break are Monday to Friday 10 a.m. to 3 p.m. Admission is \$5.95 a person. More information is available by calling 905-878-8151.

Enjoy an **All in One March Break Camp** at Milton Community Resource Centre. This

camp is geared to those aged 6 to 11 and offers arts and crafts, games, outdoor activities, swimming, skating, and a trip to the movie theatre for \$22 a day or \$100 a week. Terri can provide more information if you call 905-876-1244, ext. 18.

Stop by the Georgetown Marketplace Shopping Mall over the March Break to check out **The Flying Jewels**. This display offers a wide variety of framed moths and butterflies for public perusal.

The **Flamingo Dance/Fitness Studio** offers classes to kids aged 7 to 11, and 12 and over. This is for those who want to learn basic dance steps and routines for jazz, musical theatre, swing, hip hop, line dancing and fun fitness. The older kids' class will also include manicures, pedicures, skin analysis, introduction to makeup and more. These classes take place over the March Break at a cost of \$125 a week or \$25 a day, and the hours are 9 a.m. to 5 p.m. For more information, please call 905-873-4907.

Wow, that sounds like a lot of fun just waiting to be had in Halton this month. I'll be back next month but, until then, stay warm and have fun.

Letters from Wingfield Farm

When a captain of industry trades his pinstripe suit for overalls and retreats to a hundred acre farm, the residents of Persephone Township raise their eyebrows. Weekend farmers are a common enough sight, but this man seems to think he can actually make a living with a broken down racehorse and a single furrow plough. *Letters From Wingfield Farm* is the story of one man's attempt to embrace a less complicated world. In a series of letters to the editor of the Larkspur weekly newspaper, Walt Wingfield talks about the people and events of his first year as a man of the soil.

Rod Beattie stars as Walt in Dan Needles' one-man comedy, *Letters From Wingfield Farm*.
