NOTICE OF PUBLIC MEETING

CORPORATION OF THE TOWN OF MILTON

REGARDING THE PROPOSED COMPREHENSIVE ZONING BY-LAW

Please be advised that the Corporation of the Town of Milton will be holding a public meeting pursuant to Section 34 of the Planning Act RSO 1990 as amended, on:

**May 20, 2003 at 7:30 p.m.
 in Council Chambers, Milton Town Hall**

The purpose of this meeting is to provide members of the public with information on a new comprehensive zoning by-law that will apply to all lands within the Town of Milton. The intent of the new proposed Comprehensive Zoning By-law is to implement the Official Plan (1997) and update a number of zoning regulations as required.

Copies of the proposed Zoning By-law are available for review in the Planning & Development Department (Annex Building) next to Town Hall - 43 Brown Street, during regular office hours, at the Milton Public Library or on-line at www.town.milton.on.ca under "Zoning By-law". Anyone wishing to address Council with respect to the proposal may do so at the Public Meeting. Persons unable to attend the Public Meeting may provide written comments to Council up until the time of the Public Meeting.

Note: To assist in ensuring that all Committee members receive your input in time for the public meeting, staff asks that submissions be forwarded by mail or hand-delivery to the Clerk's Department, Town of Milton, 43 Brown Street, Milton, ON, L9T 5H2 or faxed to 905-876-5022 on or before 12:00 noon on May 20th. If you will be bringing your submission with you or will be asking someone to forward it on at the public meeting, please provide 14 copies so that all members of the Committee as well as the Town Clerk will have an opportunity to review it at the meeting.

If you require further time to prepare your written comments on the new proposed Comprehensive Zoning By-law, please note that written submissions will still be accepted up until June 6th, 2003. Any written submissions received after the public meeting should be directed to: "Zoning By-law Comments" and mailed or delivered to: Planning & Development Department, Town of Milton, 43 Brown Street, Milton, ON, L9T 5H2 or by emailing: planning@town.milton.on.ca or by faxing to 905-876-5024.

If a person or public body that files an appeal of a decision of the Town of Milton in respect of the proposed Comprehensive Zoning By-law does not make oral submission at a public meeting or make written submissions to the Town of Milton before the proposed Zoning By-law is adopted, the Ontario Municipal Board may dismiss all or part of the appeal.

PURPOSE OF THE NEW PROPOSED COMPREHENSIVE ZONING BY-LAW

A new proposed Comprehensive Zoning By-law has been prepared to ensure that the regulations that govern building and development in Milton are as up-to-date as possible and to implement the provisions of the Official Plan (1997), which is intended to manage land use changes to the year 2016. The new proposed Comprehensive Zoning By-law once adopted will repeal and replace the existing Zoning By-law 61-85 as amended, which currently affects all lands within the Town of Milton.

EFFECT OF THE NEW PROPOSED COMPREHENSIVE ZONING BY-LAW

The new proposed Comprehensive Zoning By-law will establish regulations under which new development can occur. New land uses will only be permitted if they meet the requirements of the new proposed Comprehensive Zoning By-law. All uses that legally exist on the day before the new Comprehensive Zoning By-law is passed by Council will be considered legal non-conforming uses, as long as the use does not cease. All buildings and structures that are situated on a property in a manner that does not comply with the provisions of the new Comprehensive Zoning By-law will be allowed to exist in their current locations, but any alterations to those buildings and structures will be subject to the new Comprehensive Zoning By-law when adopted.

LANDS AFFECTED BY THE ZONING BY-LAW

The new proposed Comprehensive Zoning By-law affects all lands within the Town of Milton except the Niagara Escarpment Development Control Area. For this reason no key map has been provided.
