Experience the warmth of an electric fireplace from SouthWestern Energy.

- Enjoy a realistic patented flame effect.
- Costs only pennies a day.
- Environmentally friendly. No firewood, no natural gas, no carbon monoxide emissions and no pollution.
- Easy to assemble. Comes in five pieces that fit together with no tools required.
- Plugs into any standard wall outlet. It can be installed anywhere in any room.
- Installs anywhere, no venting, no piping, no chimney.
- It can be moved from room to room or house to house.
- Many other mantel styles and trim kits available.

A fireplace for all seasons. Choose to operate the patented flame effect only, or use the built-in heater to provide warmth on those cool evenings.
