

THANK YOU, NORTH HALTON

FOR JOINING WITH THE
CORTESE FAMILY
ON OCTOBER 13, 2003
TO CELEBRATE THE GRAND RE-OPENING OF
THE CAMPBELLVILLE LUMBERYARD

A special thank you to the residents of Campbellville.

There is a long list of people who I, Nick Cortese, and my family are very thankful to for their continuous support.

A very warm thanks goes out to Ann Bouck of the Milton Planning Department and Marilyn Goodale, Honorary Mayor of Campbellville, who have always considered Campbellville as their very own backyard and took personal time to make sure that the community's best interests were taken to heart.

A special thanks to Our Honourable Mayor Gord Krantz, Barry Lee, Cindy Lunau, Ken Keates, Wally Hunter, Mel Iovio, Philip Antonio, George Murdock, Maria Smith, Gary Jansen, Steve Warner and John Doris who were a major force in our accomplishments, and let's not forget Roy Smith and Mr. Bartellet.

A very special thanks also goes out to a unique high-tech cement contractor, B.M.F. President Mark. Thanks also to Greystone Contracting, Twins Painting, Vito Caputo, Mark Speck Welding, Joe Venditti Engineer, Fred Jewett Engineer, Peter Harding Landscaping, Steve of Cambridge Concrete, Primary Electrical Supplies, Home Depot Mississauga Store's Charles and Chris at the Pro Desk, Mark and Neil of Battlefield Equipment, Len from Len's Tree Service, Wood Towing, and Chris and Shirley from Patene Building Supplies. And of course a hearty thank you to all our suppliers and supporters.

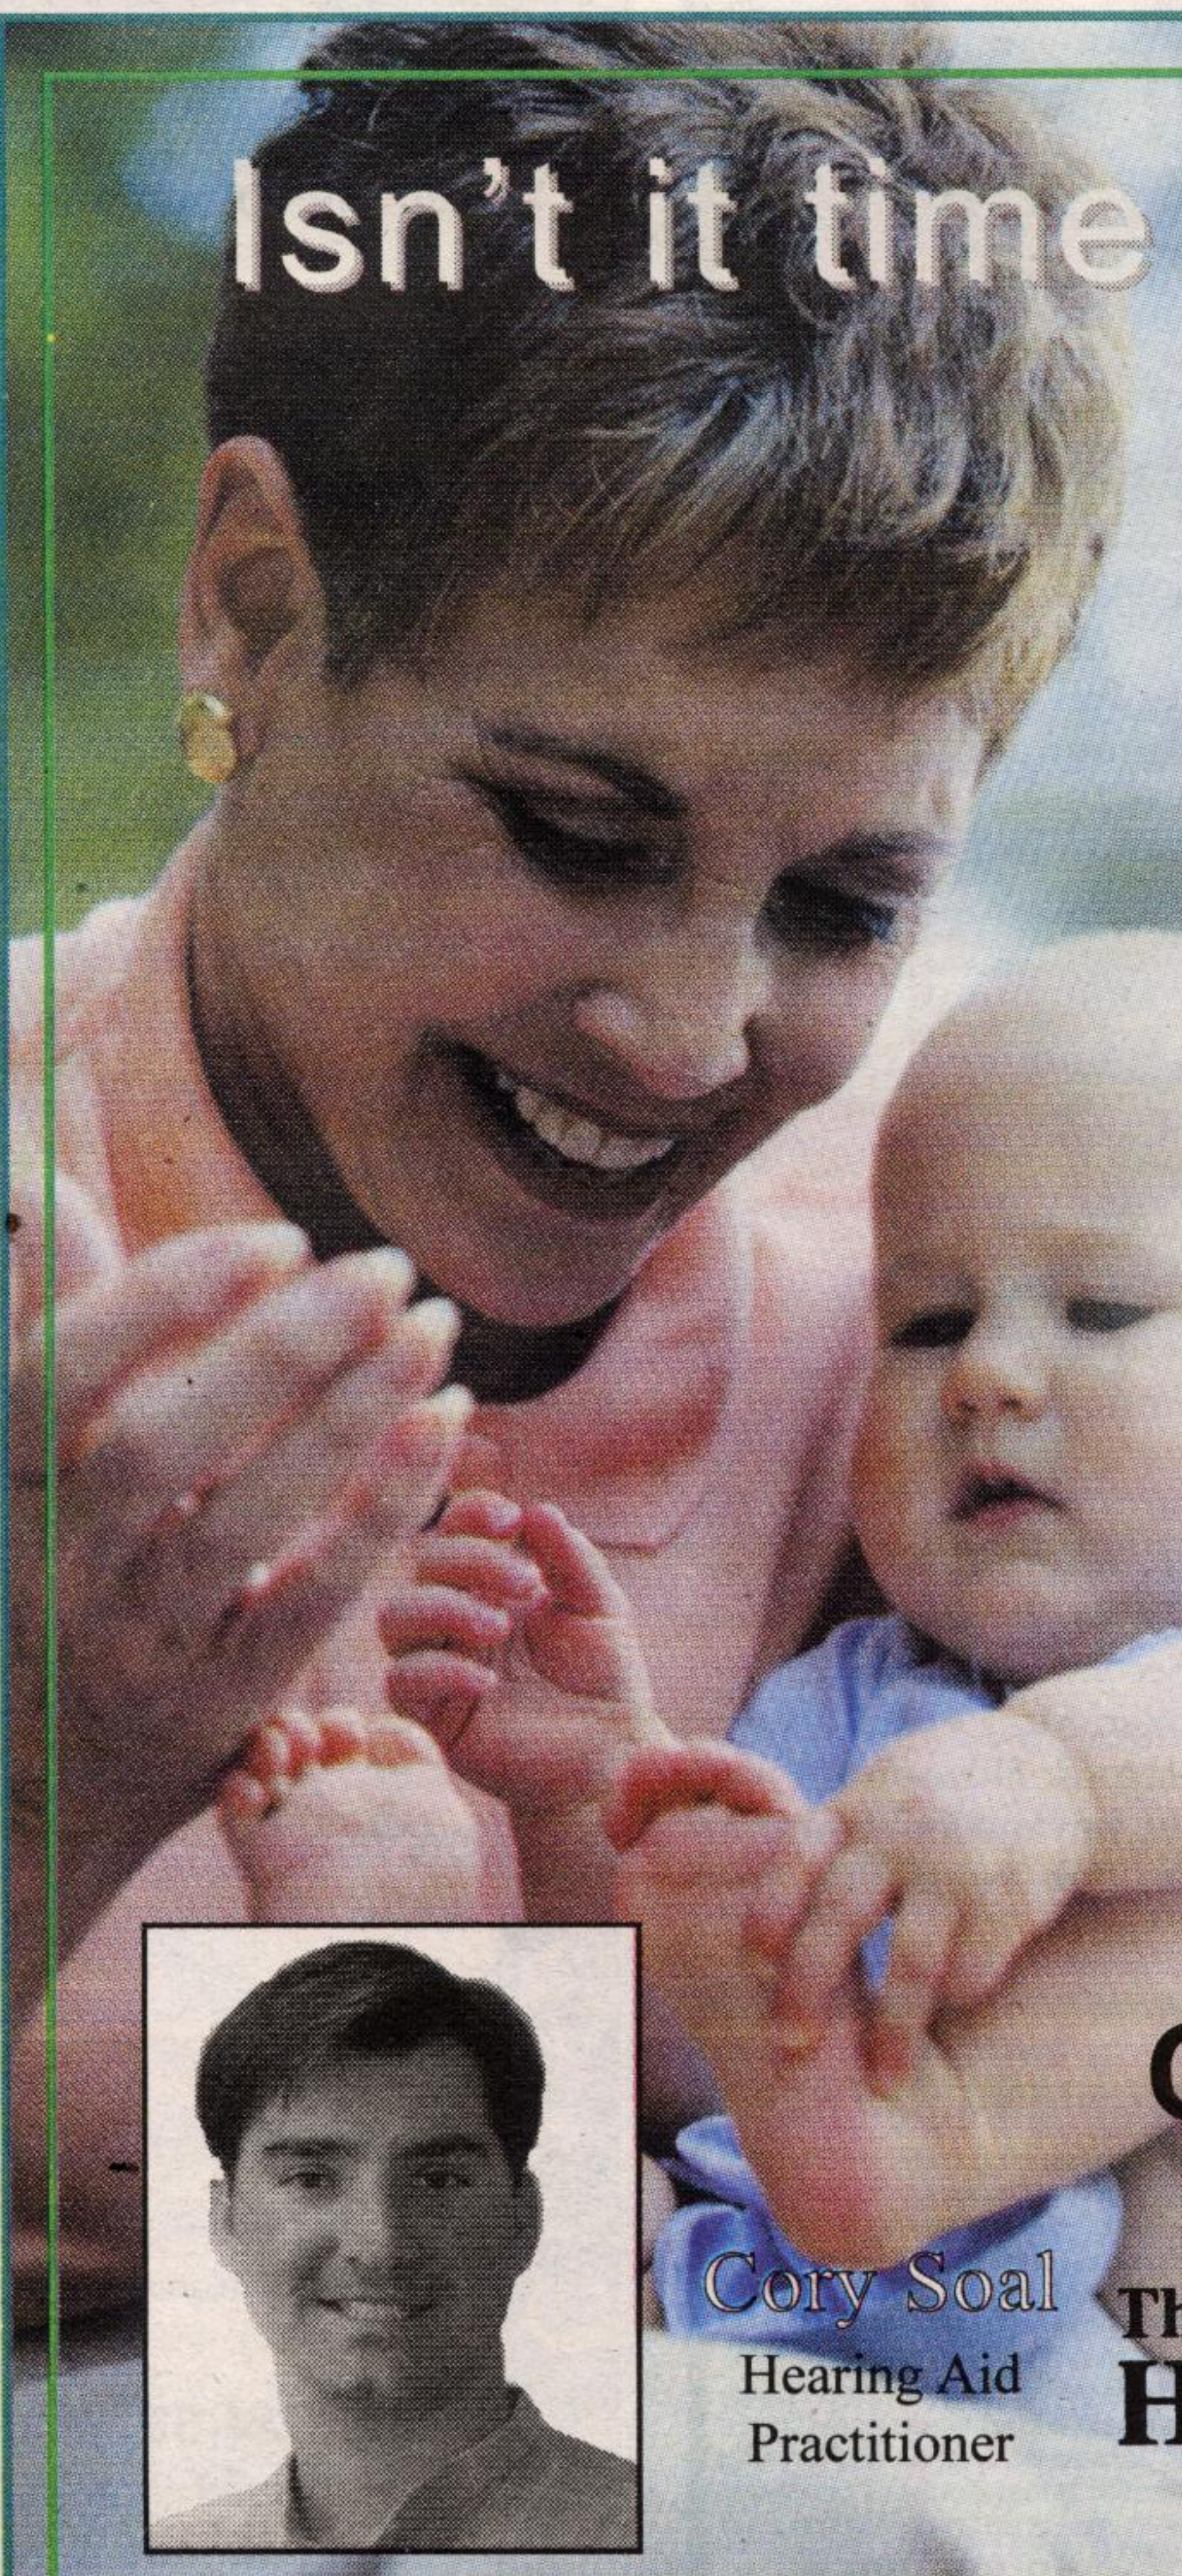

Unfortunately, we were somewhat disappointed with Nick Colella, Sales Representative for Permacon Masonry Products, and feel somewhat misled for the streaky and poor brick supplied which has formed, according to Nick, an "efflorescence" that may or may not come off with rainfalls to follow (as advised by him). We await their solution to this problem.

All in all, this joint venture has been a most rewarding experience for us, and hopefully all those involved. Congratulations and thank you to all.
