Holiday House Tour

BY DONNA DANIELLI

The magic and the spirit of Christmas become evident throughout the season as homes around the region begin to twinkle with dancing lights. The United Way Town and Country Christmas House Tour celebrates those displays, inviting all who care to join them with a peek into some of Milton's finest homes. Care is

taken to ensure that the homes offer a variety of decorating styles and ideas.

This year's event takes place on Saturday, November 22, from 10 a.m. to 5 p.m. and offers six unique homes for the curious to peruse. While one home is nestled in the centre of urban Milton, another allows for the opportunity to tour one of Milton's newer homes. The four more are located throughout the countryside, yet still remain within easy driving distance of the Town.

The theme for this year's tour is "Neighbours Helping Neighbours" and was chosen to illustrate how the community members of Milton donate funds that are allocated to programs to help other Milton community members. This year, the United

Way has set a goal of \$425,000 for its 2003 goal and the Town and Country House Tour is an important component of the fundraising strategy. Tickets for the self-guided tour are \$20 and include a delightful little book with photos and histories of all of the homes on the tour. A fundraiser lunch is also available at the Harrop House for \$15, which includes taxes, gratuity and a \$3 United Way donation. As well, Harrop House will donate \$1 from every glass of wine sold during the luncheon to the United Way. Due to limited seating, luncheon tickets must be purchased ahead of time. Tickets for both activities are available at Kalena Flowers, Brancier Jewellers, A Country Mile and the United Way office at 1 Chris Hadfield Way, Milton and at Crispin's on Main Street, Campbellville. More information is available by calling the United Way office at 905-875-2550.
