Milton Fall Fair needs farm toys

The Milton Fair Board is in need of die-cast metal farm equipment toys for children. Each year, the board provides a corn box filled with these toys for younger children so that they can learn something about agriculture. Nancy Comber, secretary-treasurer of the board, says the toys used in previous years are no longer in good condition. "For quite a few years, we borrowed toys from another farm organization. Over the years, there's been wear and tear. We're looking to see if anybody has toys to donate."

Lorna Wilson, who is co-chair of the Youth Day committee at the Milton Fair, says toys can either be donated or loaned to the fair board. The board is specifically looking for larger models of toys.

If you have any toys available, call the Milton Fair office at 905-878-5689 to arrange for pick up.

Models brighten up charity golf

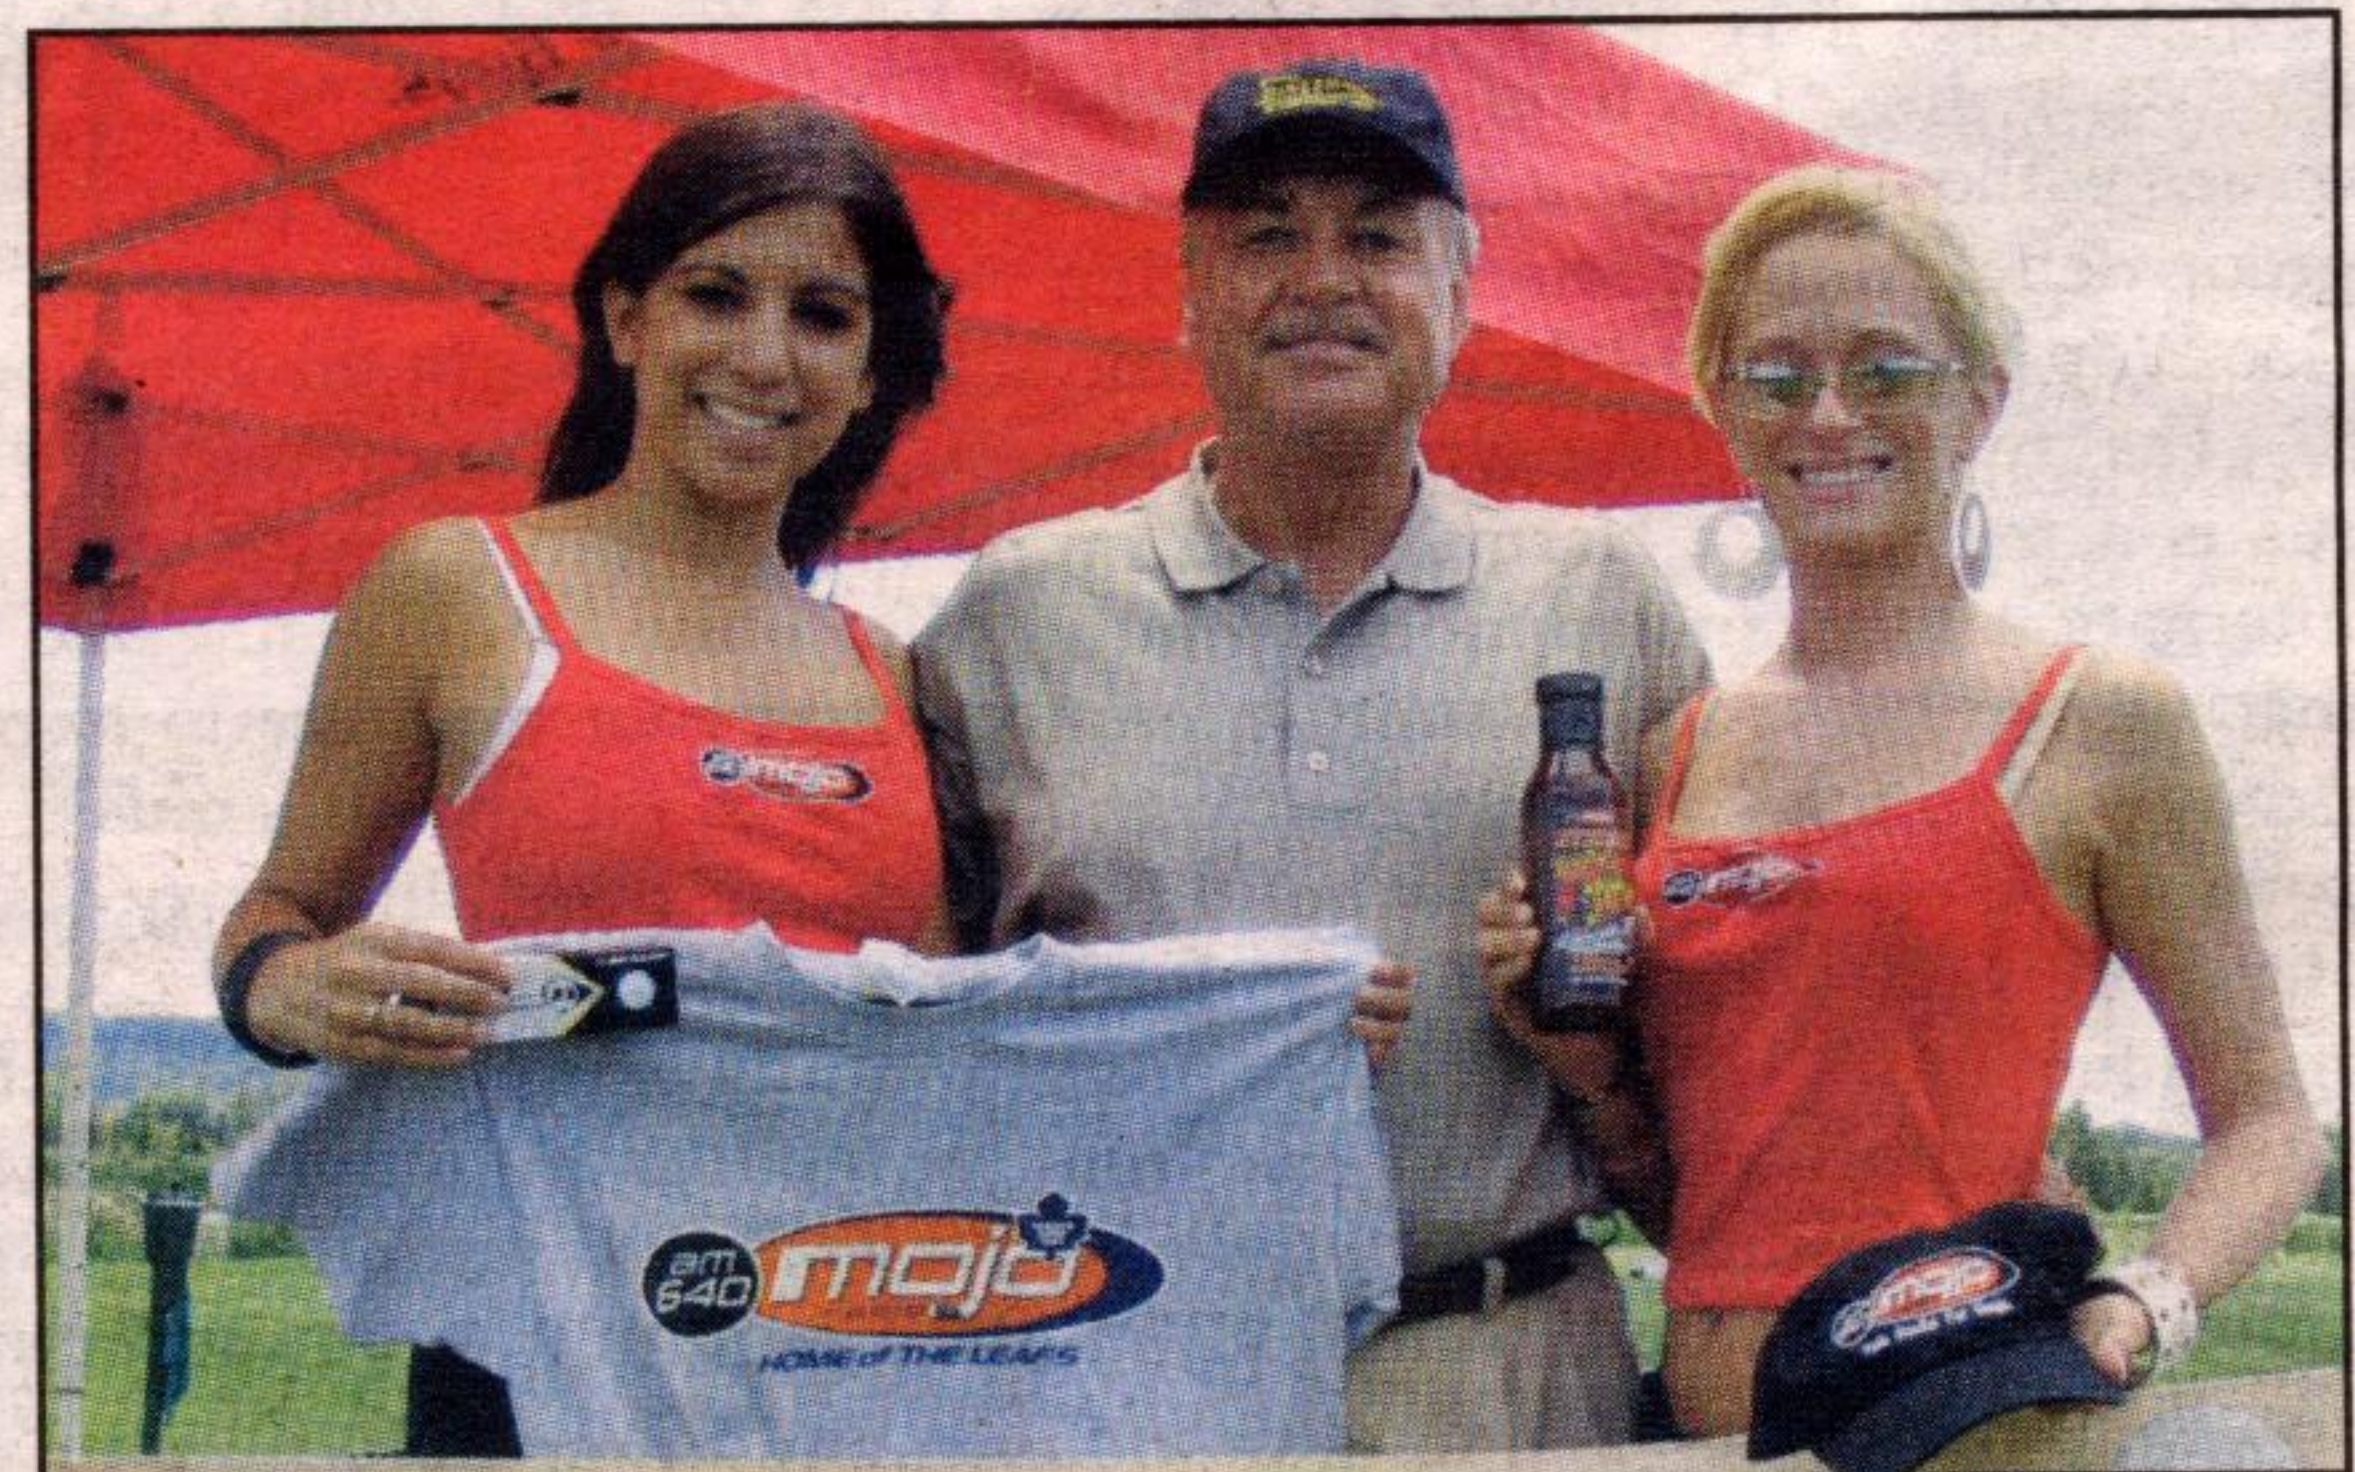

PHOTO BY DONNA DANIELLI

Dineen Construction Executive Vice President Bill Love enjoys a break at a recent golf tournament, relaxing with MOJO Radio Models April Kalloo(L) and Miranda Jade (R). The MOJO models offered advice, prizes and photos opportunities to the golfers, as well as an opportunity to sink a hole in one shot for a million dollars at the Dineen Construction Charity Golf.

Tournament at Granite Ridge Golf Club. This was the fourteenth annual golf tournament for the construction company, which has raised over \$150,000 for charity in past tournaments. The money raised from this year's tournament was donated in support of Sick Children's Hospital and St. Joseph's Health Care Centre.
