## Back to school for teachers Seventh Annual "General Store" PD Day

BY: LAURA COOK

Calling all teachers! August 31st marks the seventh annual General Store Professional Development Day and Resource Fair at Country Heritage Park in Milton. Hosted by the Ontario Agri-Food Education Inc. (OAFE), The General Store Professional Development Day and Resource Fair combines a variety of workshops, resources, and educational displays related to the agriculture and food sector. Topics from soil management and biotechnology to pizza production are highlighted through interactive workshops and resources that are directly linked to the learning expectations and achievement levels of the Ontario curriculum. Although the Ontario Agri-Food Education Inc. (OAFE) is a registered charity, the materials they provide to teachers could not be made possible without the many partnerships with individuals, community organizations, commodity groups, and a variety of associations and industries. With financial support and professional guidance from the Ontario Ministry of Agriculture and Food, the OAFE is dedicated to "Educating today's students - tomorrow's consumers!" This year's professional development day will feature a variety of new teaching resources at both elementary and

secondary levels. Those who participate in the workshops will have access to information and resources such as lessons, activities, posters and kits that are appropriate for teaching levels from kindergarten to grade twelve. With a market of over one hundred and twenty thousand full time teachers and seventy-two different boards of education, the Ontario Agri-Food Education Inc. understands the growing demand placed on teachers. Take advantage of this opportunity to learn more about agriculture and food and pass on the knowledge to students. Registration for the General Store Professional Development Day and Resource Fair will continue until the day of the event, however early registration is recommended to ensure placement in the workshops of your choice. For more information or to register please visit www.oafe.org or call Ontario Agri-Food Education Inc. at 905-878-1510. **Date: August 31, 2004**  
**Location: Country Heritage Park, Milton**  
**Time: 9:00 - 2:15**  
**Cost: \$30 (includes the cost of many resources, 'Taste of Ontario Agriculture' lunch, door prizes and more!)**
