COOKING UP A TREAT WITH GLENDA BENTON

I had to turn the calendar to December before I could get into the Christmas cooking mood and so I've spent the morning baking. I thought I'd share one of my cookie recipes. It is called Jewelled Cookie slices.

- 1/3-cup butter melted (no substitutes)
- 1/3-cup sugar
- 1/4 cup packed brown sugar
- 1 egg
- 1/2 teaspoon vanilla extract
- 1/2 cup chopped candied pineapple
- OR red and green candied cherries
- 2 tablespoons chopped blanched almonds
- 1-1/2 cups all-purpose flour
- 1-teaspoon baking powder
- 1/8 teaspoons baking soda
- 1/8-teaspoon ground nutmeg

In a mixing bowl, beat butter and sugars. Add egg and vanilla; mix well. Stir in pineapple and almonds. Combine dry ingredients; add to butter mixture. Spread evenly into foil line 8 by 4 by 2-inch loaf pan. Cover and refrigerate for at least 2 hours. Invert dough onto a cutting board; remove foil. Cut into 1/4 in. slices; place on greased baking sheets. Bake at 350 for 10 to 12 minutes or until lightly browned. Cool on wire racks. NOTE: if you want smaller cookies you can roll the dough in foil and proceed as directed. Also since I am very fond of mixed peel you can substitute the pineapple.

## Turkey Casserole

I am always looking for new ways to use up leftover turkey.

- 2 tablespoons margarine or butter
- 2 tablespoons all-purpose flour
- 1-teaspoon instant chicken bouillon granules
- 2 cups cooked chopped turkey (or chicken)
- 1 10-ounce package frozen mixed vegetables (cooked and drained)
- 3/4 cup shredded cheese
- 1/2 cup soft breadcrumbs
- 1-tablespoon margarine or butter melted

In saucepan melt 2 tablespoons margarine; blend in flour. Stir in bouillon granules and 1-cup water; cook and stir till mixture is thickened and bubbly. Remove from heat and stir in turkey, mixed vegetables, and shredded cheese. Turn into a 1-quart casserole. Combine crumbs and 1 tablespoon melted margarine. Sprinkle over casserole. Bake in 350 oven 30 to 35 minutes or till heated through.
