

Tree lighting at Allendale

The tree was trimmed and Santa himself brought the blessings of the season to the residents and staff at Allendale. It was the annual Christmas tree lighting that took place on December 7th. This year's tree lighting was extra special since last year the event was cancelled due to a flu epidemic. The Mayor of Milton, Gord Krantz lit the tree and brought fun to the festivities. Representatives from Dare Foods helped turn the lights on. They had decorated the entire grounds of Allendale with lights, garlands and decorations over the past week. Carols and melodies of the season were sung by the Hitherfield Elementary School Choir, while cookies and goodies were handed out to Allendale guests and clients by staff. Santa was played by Fire Chief Harold Penson. It was a jolly evening for everyone.
