By JENNIFER ENRIGHT

In business for over a decade, Bronte Drycleaners in Milton has been providing drycleaning and alteration services to its clients for 12 years.

Owner Manjit Bhullar says what his business can offer customers is quality drycleaning, reasonable rates, personalized service, and a variety of services to suit different customers.

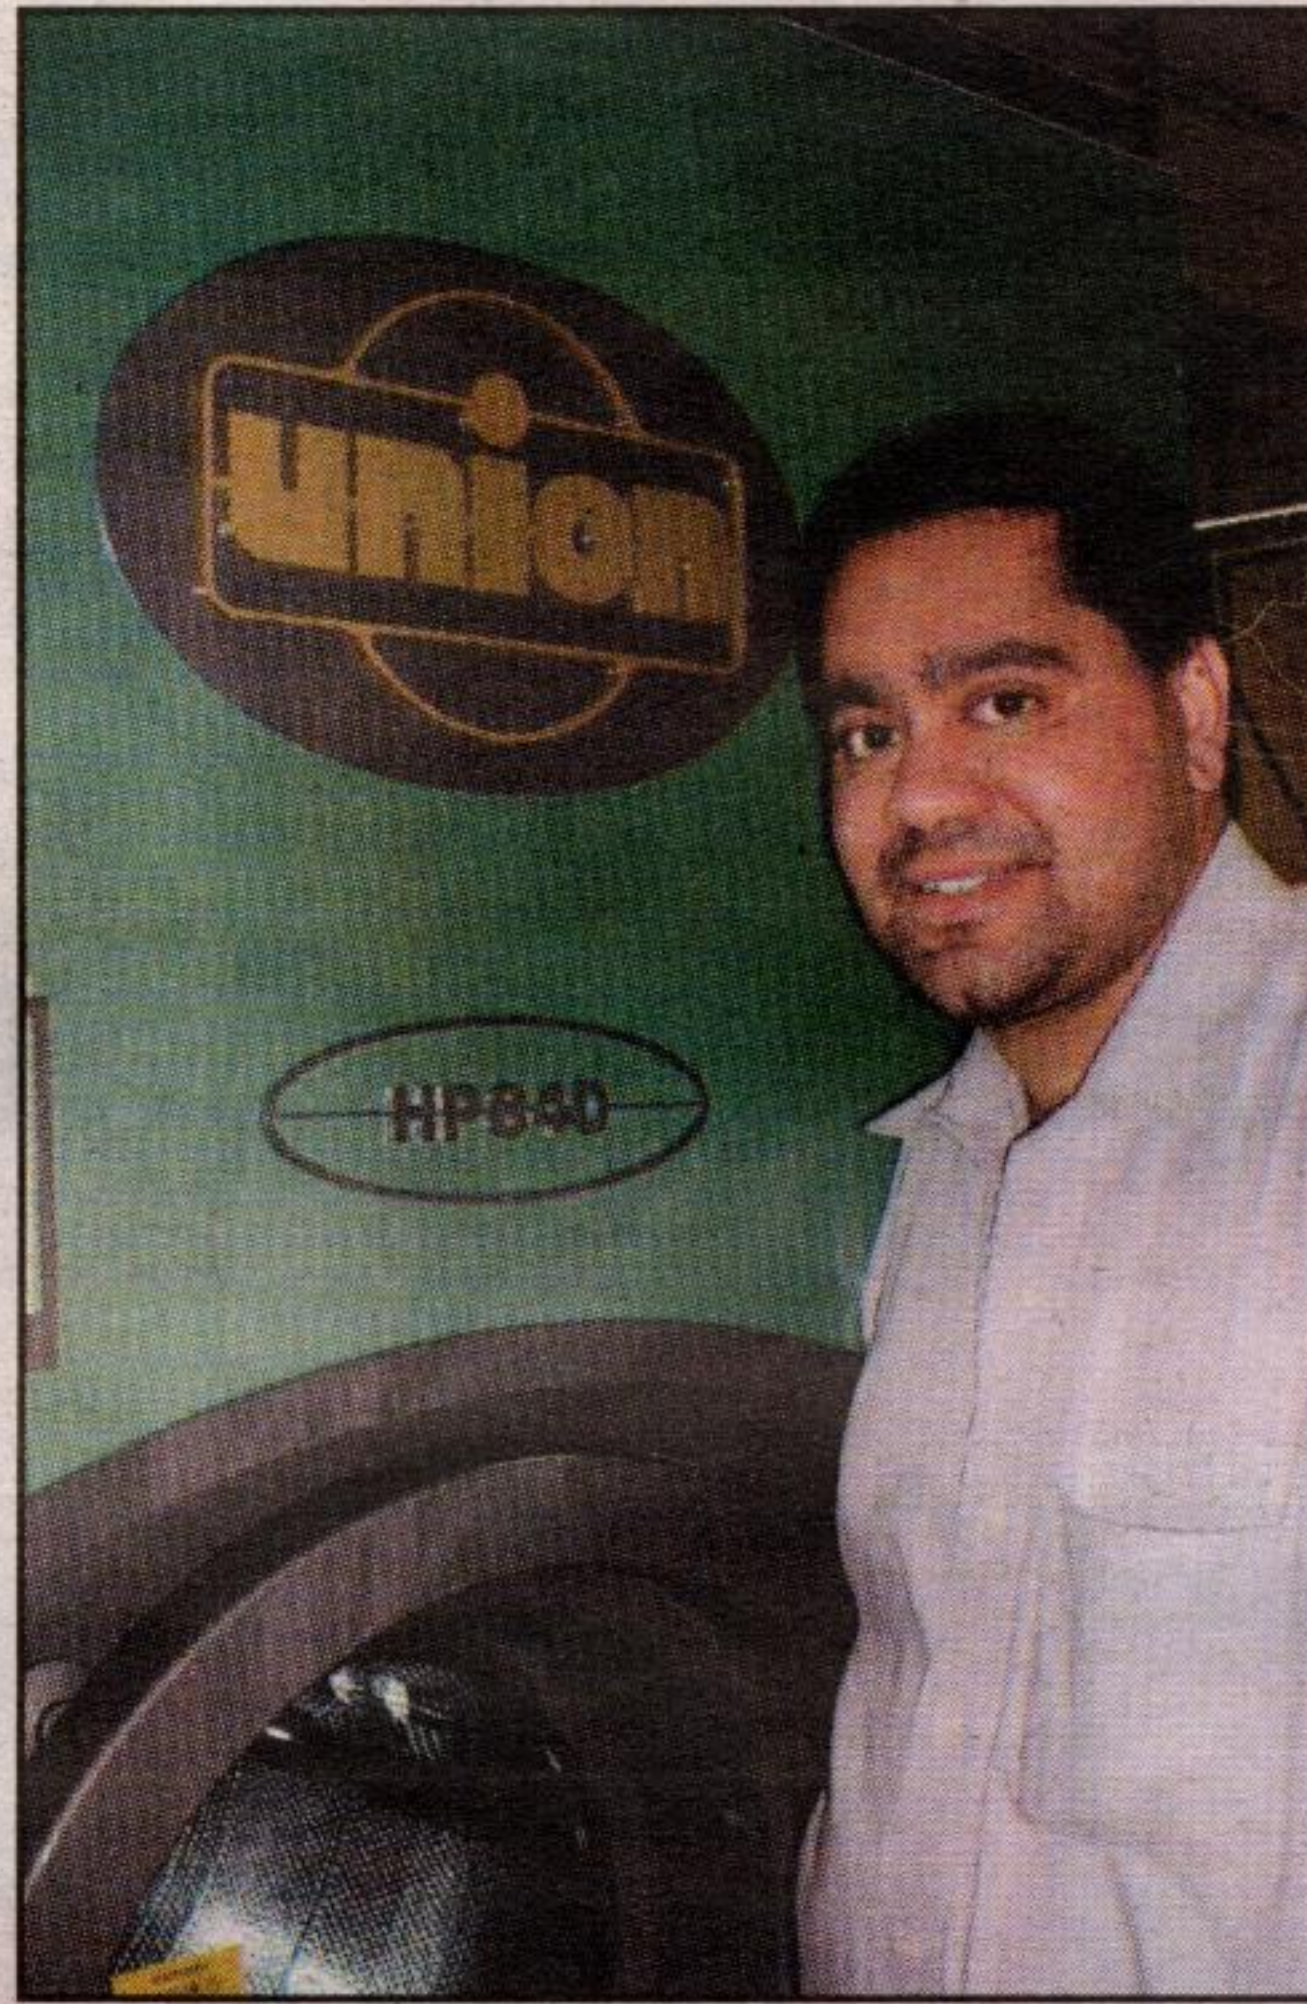

Bronte Drycleaners provides drycleaning for all types of household items, garments and fabrics. Everything is done on the premises whether it's stain removal for clothing, cleaning of smoke-damaged clothing or standard cleaning. "We clean silks,

leathers, suedes, wedding dresses, curtains, drapes, comforters, and many household items."

The business also offers a number of services to accommodate the needs of different customers with same-day service as well as a special rush service.

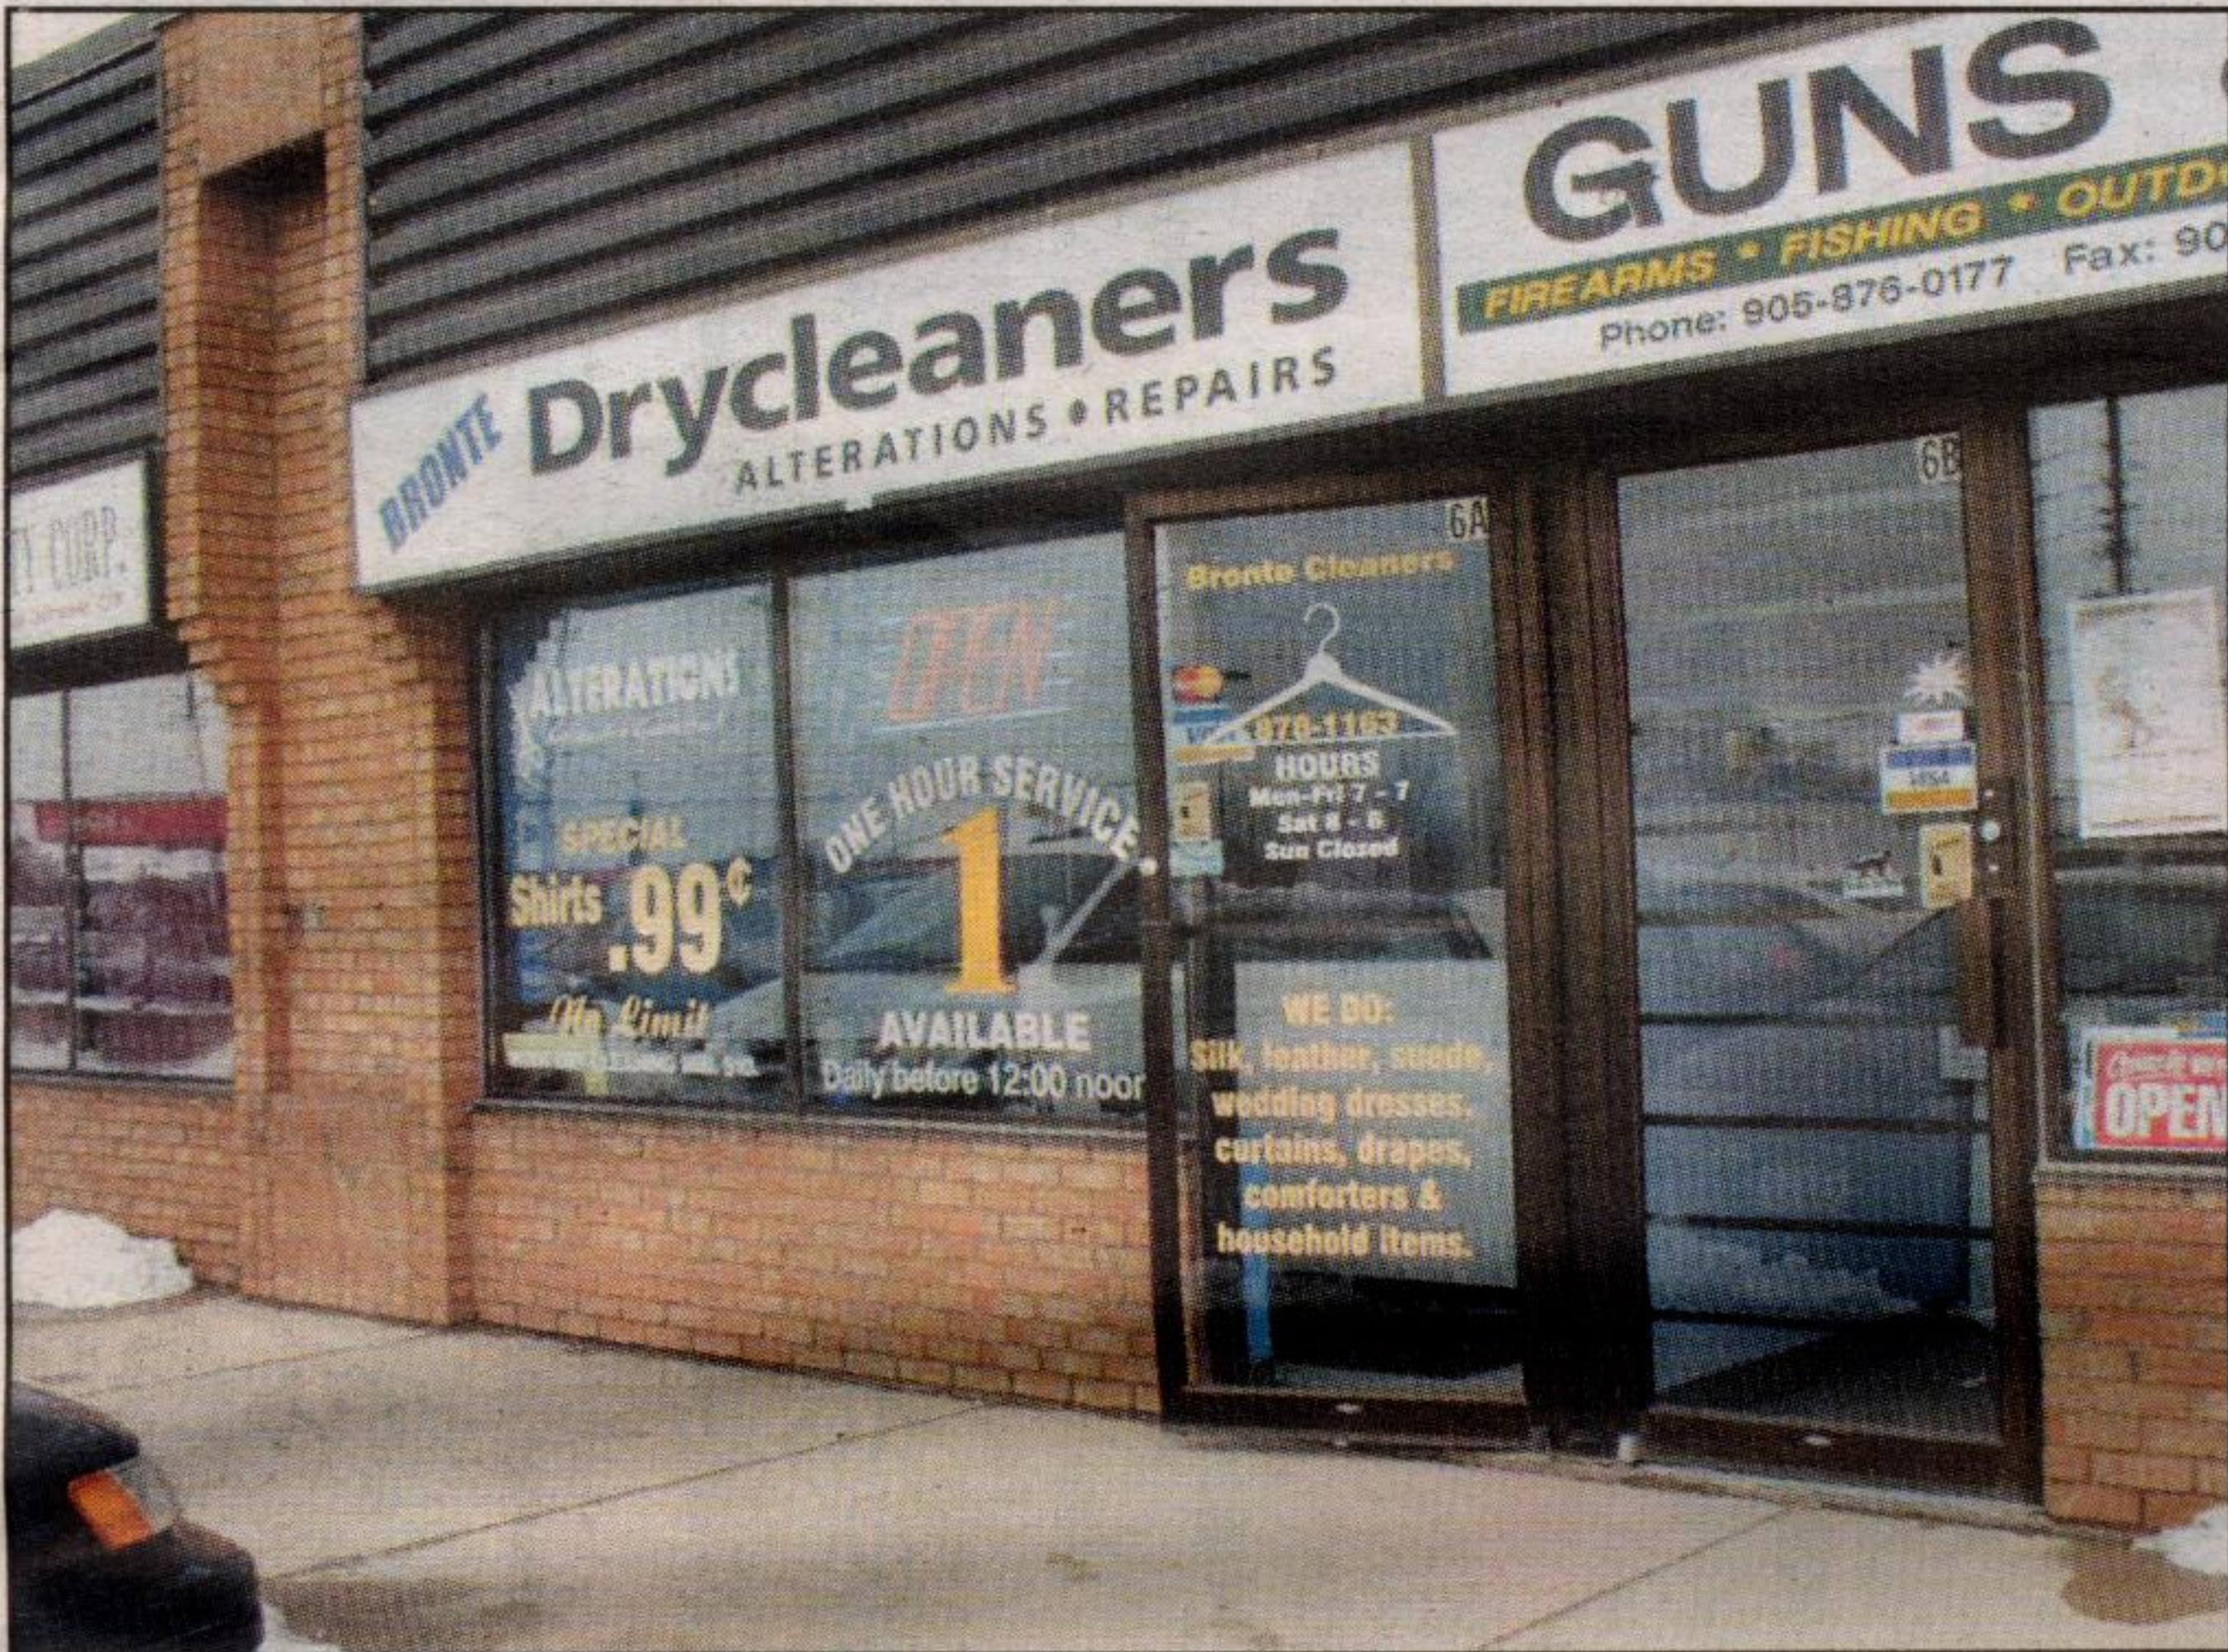

Many of Manjit's clients are residential customers, but he also services commercial and industrial clients.

Bronte Drycleaners is open Monday to Friday from 7 am to 7 pm and on Saturday from 8 am to 6 pm. The business is located at 575 Ontario Street South. For more information, contact Bronte Drycleaners at 905-878-1163.

Manjit Bhullar, owner of Bronte Drycleaners in Milton, recently installed a new state of the art drycleaning machine at his business. The machine uses a solvent known as DF2000 which Manjit says is less destructive to the environment. "There's no odours, no smell, just fresh drycleaning using new technology."
