

# Opening day of Milton Farmers' Market huge success!

The Milton Chamber of Commerce launched its Peaches and Cream campaign at the opening of the Farmers' Market. Pictured inset, is Jack Lenhardt (age 3) the first winner of the "Get a MOOOVE on" contest. He found Peaches the cow hiding in one of the market stalls and won this t-shirt! Two winners each and every Saturday!

Last Saturday's good weather saw record numbers attend the opening day of Milton Farmers' Market, said Jennifer Pyrah of the Milton Chamber of Commerce. SUBMITTED PHOTOS

The Regional Municipality of Halton  
A Partnership That Works!

## NOTICE OF PUBLIC INFORMATION CENTRE #1

### New Burnhamthorpe Road (Regional Road 27) Transportation Corridor and Potential Future Bridge Crossing of Sixteen Mile Creek, Town of Oakville Class Environmental Assessment Study

The Regional Municipality of Halton has initiated a Class Environmental Assessment for transportation improvements in North Oakville, particularly in the vicinity of Burnhamthorpe Road (Regional Road 27) to satisfy east-west travel demands in the Town of Oakville (refer to study area map shown below). The need to satisfy east-west capacity requirements has been identified in studies such as the Halton Transportation Master Plan (2004). The study is being conducted in compliance with Schedule C of the *Municipal Class Environmental Assessment* (June 2000), which is approved under the Ontario Environmental Assessment Act.

A Public Information Centre (PIC) is planned to provide further information to the public and interested stakeholders and to receive input and feedback on the Study activities completed to date. The following information will be available at the PIC: transportation issues and opportunities; and the assessment of a range of alternative solutions, including:

- Upgrading capacity of existing roadways (Ex. Dundas Street widening to beyond 6 lanes);
- Upgrading capacity of Burnhamthorpe Road including a potential crossing of Sixteen Mile Creek;
- Increased transit services/facilities;
- Reduction in auto usage (Transportation Demand Management);
- Optimization of the existing road network (Transportation Systems Management); and
- Combinations of the above.

The preliminary preferred alternative solution will be presented at this PIC. **Route alternatives will be investigated during the next phase of the Study.** The second PIC, anticipated to be held in early 2006, will present the route alternatives and the preliminary preferred design. The first PIC is scheduled for:

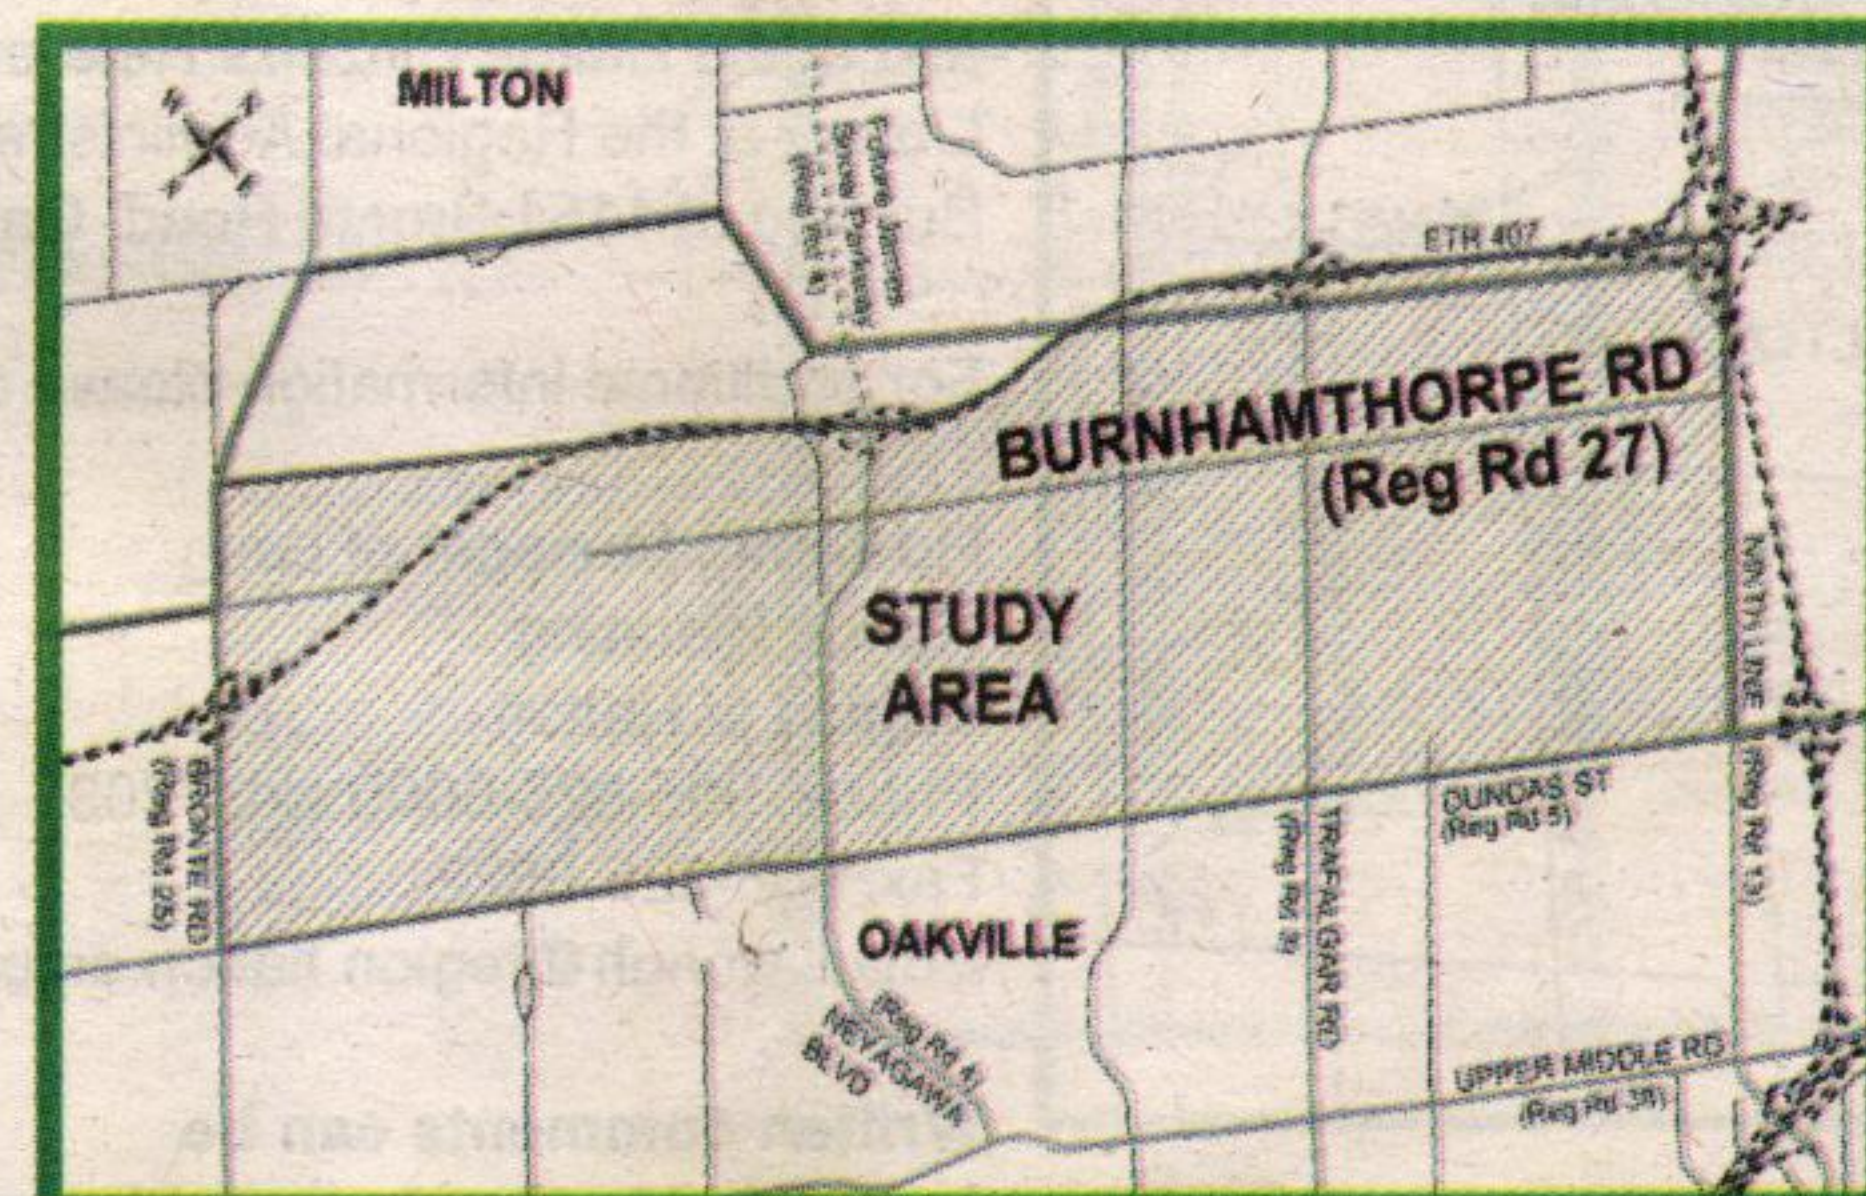

Thursday, June 9, 2005  
King's Christian Collegiate - Gymnasium  
528 Burnhamthorpe Road West, Oakville  
6:00 p.m. to 9:00 p.m.  
Open House: 6:00 p.m. to 7:15 p.m.  
Presentation at 7:15 p.m., followed by a question and answer period

If you are unable to attend the PIC and wish to fill out a comment sheet or require additional information please contact:

### GREAT JOB EVERYBODY!!

The first Halton Hills 20 Minute Makeover was held on Friday April 22nd, and it was a great success. The Town of Halton Hills would like to thank all of the businesses that participated and especially thank all of the employees who took 20 minutes out of their day to clean up the industrial and commercial areas of our community.

--	--	--

Thank you to Harvey's and Swiss Chalet for sponsoring this event, and to the Halton Hills Chamber of Commerce, Acton BIA and Georgetown BIA for promoting this worthwhile cause.

The Town would also like to recognize the nine schools that participated in clean up activities. Each school will be presented with a certificate of appreciation for their contribution to keeping our environment clean and safe.

George Kennedy Public School Georgetown District Christian School Holy Cross Catholic School Mackenzie-Smith-Bennett Public School Park Public School	Robert Little Public School St. Catherine's of Alexandria Catholic School St. Joseph's Catholic School Stewarttown Senior Public School

On Saturday, April 23rd, residents took to the streets, sidewalks, rural areas, parks, open spaces, ditches, schools, ravines, pathways, playgrounds, arenas, nooks and crannies to pick up litter.

You helped clean up our Town with every bag you filled. Your hard work reflects the commitment of our community to keeping the Town of Halton Hills beautiful and clean!

Thank you to all the individuals, families, community groups, special groups, schools, teams and businesses that contributed to making Clean Up Halton Hills day a success!

Thank you to the following community groups that participated in this event.

The Town of Halton Hills would like to thank Tim Hortons for sponsoring this very worthwhile community event. We look forward to continuing this partnership in the future as we strive to make Halton Hills a proud and litter-free community.

A special thanks to Town Councillors for promoting this event, especially in the rural areas, and to Councillor J. Fogal and the Anti-Litter Task Force for their invaluable assistance in coordinating this event. Their pride in the community of Halton Hills is greatly appreciated.
