YOUR GUIDE TO WHERE TO GO & WHAT TO DO IN HALTON

## Folk Music coming to Erin's Century Church Theatre

Century Church Theatre will be hosting a night of folk music on Saturday, June 4. Conceived and directed by Erin's own Rick McClarnon, the show will feature close to 20 local musicians performing music from the heyday of folk music

The show highlights the talents of the groups Wanker Delux (Don Wright, Jack Walker, Oliver Apitius, Don LeBlanc); Guerin Connection (Jane Adair, Kim Pearson, Bob Longstreet, Rob MacKinnon, Rick McLarnon) and the Muir Family Band (Donna Muir, Aaron Muir, Brandon Muir and Bob Longstreet). Dale Nolan and Amanda Page will team up with guitar, mandolin and vocals, while Gary Robinson, Rob MacKinnon and Joe Burns appear as Three Amigos. Jim Hannenbergh will offer solos accompanying himself on guitar, har-

monica and vocal.

One of the highlights of the show, and one that will bring back many memories of the golden age of folk will be the Tringston Kio, with Rick MacLarnon, Rob MacKinnon and Bob Longstreet offering their own tribute to the great Kingston Trio.

All proceeds from the show will go towards the equipping of Century Church Theatre, ready for the Summer Festival Season, which opens in July.

"Folk Night at the Century" is on Saturday, June 4, at 7:30 p.m., for one show only, at the Century Church Theatre, Main Street, Hillsburgh. Tickets are \$12 until May 31, and \$15 from June 1, plus the handling charge of \$1.50. All seats are reserved, and can be booked by calling the Box Office with VISA at 519 855 4586.

## Galaxy Cineplex to open new theatre in Milton

BY DONNA DANIELLI

Milton has often come under fire for a lack of leisure activities for teens, but this could soon change. Not only has Milton built a new skate park, with plans underway for a BMX bike facility as well, but Spring of 2006 will also see the opening of a new eight screen Galaxy Cinema entertainment complex.

Located just south of Highway 401, the cinema will occupy approximately 31,000 square feet of space, offering a state of the art entertainment experience. "Galaxy Cinemas Milton will offer area residents the newest and best entertainment options without having to leave town," says Pat Marshall, Vice President Communications and Investor Relations for Cineplex Galaxy LP.

Milton Mayor Gord Krantz is thrilled with the announcement of the new entertainment complex. "One of Milton Council's objectives is to promote the attraction of a cinema to the Town of Milton," says Mayor Krantz. "We are pleased to welcome Galaxy Cinemas Milton, offering residents and families in our community a new source of entertainment and significant economic benefits."

The new Galaxy Cinemas Milton will feature all stadium seating, wall-to-wall giant curved screens, large luxurious seats and Dolby Digital Surround Sound.

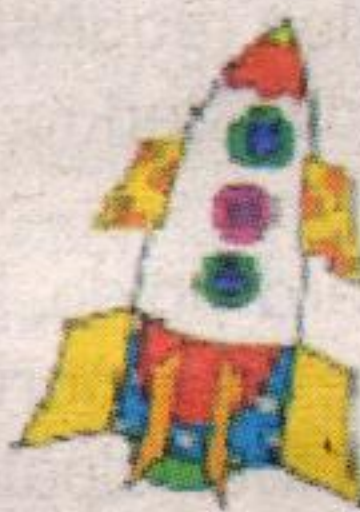

Construction is expected to begin later this fall, with completion in spring 2006.
