

## Chong meets with Katimavik participant

Halton Hills resident Kira Larsen participates in the Katimavik experience

On Thursday June 2, 2005 participants involved in Katimavik were in Ottawa to meet with their Member of Parliament. M.P. Michael Chong met with Kira Larsen, a resident of Acton, who is one of 1200 youth that will participate in the program this year.

Katimavik is a national youth volunteer service program for Canadians ages 17 to 21 years old and is supported by the federal government. The participants are involved in assisting non-profit groups in communities across Canada. Some of the projects include building trails, assisting senior citizens on outings, planning and organizing events and activities and may include assisting in building homes for projects such as Habitat for Humanity. Not only do the participants learn from a variety of administrative and manual work, they also learn about leadership, official languages, the environment and culture while living with host families across the nation.

Michael Chong said, "Katimavik brings together young Canadians, like Kira Larsen, from all parts of the country to volunteer in many worthwhile causes. Not only do participants learn to be civically minded, but they learn to appreciate the diversity and vastness of this country, as they live and work with Canadians from all regions."

Kira Larsen and Mike Chong

## Summer races to begin at Mohawk Racetrack

Continued from page 1

A stage has also been built at the east end of the grandstand where a number of entertainment offerings will be held on Mondays and Thursdays through the months of July and August.

Yuk Yuk's Comedy Nights will run on Thursdays at 9:00 p.m. and there will be country and jazz music concerts as well.

There will also be a \$50,000 Hole-In-One Challenge, 170-yard golf hole in the infield, during July & August on Monday & Tuesday nights.

"We're trying to create some none traditional activities; we think we have the potential to create a festival type of atmosphere," he said.

The Meet will run every day of the week except Wednesdays and Sundays through to October 8 with a new post-time of 7:20 pm.
