Gary Carr Report

In the last election, Prime Minister Paul Martin and I promised to invest in our children with an Early Learning and Child Care Program. I am pleased that we have kept our promise.

Halton Region recently announced that they will receive federal dollars to create 500 new childcare spaces. Halton will be receiving \$23 million dollars in both operating and capital money to create these 500 new spaces. The childcare spaces will primarily be located in or near schools, so that junior and senior kindergarten students can benefit from a seamless full day of learning and childcare. This funding was recently approved in the 2005 Federal Budget.

Regional Chair, Joyce Savoline, said in a recent newspaper article; "The investment made by the provincial and federal governments recognizes the importance of providing the tools for early learning to support the development of our children."

This announcement is part of our national pledge to build the foundations of a stable and reliable Early Learning and Childcare initiative across the country, with \$5 billion dollars in new investments.

If you have any questions or comments, please email me at carrg@parl.gc.ca, or call 905-693-0166. I look forward to hearing from you.

Halton School Bus Orientation Day
 Safety program to be held on Saturday, August 27, 2005

As the first day of school approaches, the Halton School Bus Safety Committee is moving into high gear to assist parents and first time riders in understanding the importance of school bus safety. The Committee, with representatives from both school boards and all bus operators in Halton, is hosting its annual "School Bus Orientation Day" on SATURDAY, AUGUST 27, 2005 starting at 9:00 a.m.

Parents are encouraged to bring their children to the free sessions, which will feature a classroom presentation on school bus safety, including a special Winnie-the Pooh video and a demonstration on a school bus. School bus company safety officers and bus drivers will talk to the children about safely getting on and off of the bus, proper behaviour on a school bus, crossing the street to get to a waiting bus and overall school bus safety. In addition, a tip sheet on school bus safety, entitled "Think! Think! Think Safety!" will be distributed. The committee hopes that the orientation sessions will help students and their parents feel more comfortable with the idea of riding a school bus.

The sessions begin at 9 a.m. on August 27, 2005 at the following six locations throughout Halton. To register students for a preferred time slot, parents should call the host bus company at the phone number listed next to the desired location.
