Oakville resident confirmed to have West Nile virus

Test results received from the Public Health Laboratory in Toronto confirm that a female Oakville resident in her forties is the first confirmed case of West Nile virus (WNV) in Oakville this year. The resident lives in south-east Oakville, one of the areas where mosquitoes infected with WNV had been previously detected by the Health Department. Hospitalization was not required; the resident is recovering at home.

To date in 2005: Five residents have been infected with WNV—one in Oakville and four in Burlington.

1,243 dead birds were reported by residents to the Health Department to help monitor the spread of the virus 20 dead birds tested positive for WNV, as well as 24 mosquito pools 110 applications of larvicide to 704 standing water sites have been carried out, as well as four applications to 38,000 catch basins.

Milton Blood Donor Clinic

Every minute of every day, someone in Canada needs blood. Only about 3.5 percent of the eligible Canadian population donates blood, yet Canadian Blood Services is hoping this will increase over the next few years.

Call 1-888-2-DONATE (1-888-236-6283) for clinic or eligibility information or to schedule an appointment to give blood at one of these or any other clinic:

Thursday, October 13, 2 - 8 pm or
Saturday, October 29, 2005 9am to 1 pm

To be held at the Milton Sports Centre, 605 Santa Maria Blvd.

By making a donation, you can help save up to three lives.
