NOTICE OF SUBMISSION NIAGARA TO GTA CORRIDOR

ENVIRONMENTAL ASSESSMENT TERMS OF REFERENCE

The Ministry of Transportation (MTO) has prepared a Terms of Reference (ToR) to initiate an Environmental Assessment (EA) for the Niagara to GTA Corridor. The EA ToR provides a framework for completing an Individual EA study that will define transportation problems and opportunities within the Niagara to GTA area; assess current and future transportation needs; and examine a full range of reasonable solutions.

This project is being carried out within the context of the draft Growth Plan for the Greater Golden Horseshoe. The Ministry of Transportation is working to provide for the efficient movement of people and goods to meet the objectives of the province's draft Growth Plan. The ToR is being submitted to the Ontario Minister of the Environment for review as required under the Ontario *Environmental Assessment Act*. Starting on **October 28, 2005**, the document can be viewed at all main branches of libraries and local and regional municipal offices within Niagara, Hamilton and Halton area. It is also available within Six Nations of the Grand River Territory and at Ministry of the Environment (MOE) Regional Office in Hamilton.
