Bantam II squad in tri-county final

By JIM MONAGHAN

The Bruce Hood Travel Bantam 2 squad continued their winning ways this week by defeating Grand Valley and Elora in dramatic fashion. These victories give the team a berth in the Tri County finals against arch-rivals Milton. Home ice advantage for that series will be decided next Thursday as these two teams meet in the last game of the preliminary round in Milton.

Last Tuesday in Acton, our Bantams squeaked past Grand Valley 3-1 thanks to a late tie-breaking goal from Simon Drexler. Big Matt Thatcher added the insurance with an empty netter

while Stephen Monaghan continued his red hot scoring pace by popping in the opening marker. Assisting on the goals were Greg Barens, Matt Hebden, Chris Stanhope, Monaghan and a pair from Ryan Weatherall.

On Saturday in Elora, it was more last minute heroics as Acton came from behind to win 4-2. This time around, it was Andrew Forbes' unassisted goal with only a minute left that provided the margin of victory. Thatcher once again potted an empty netter while Monaghan and Hebden rounded out the scoring.

Darryl Blyth, Adam Durski, Mike Hryn and Thatcher chipped in by as-

sisting in the match. Rory Dick was between the pipes this week for both of Acton's victories.

Coach Bryan McPhail feels the team will have to improve their intensity if they hope to win league honours.

"We seem to be playing just good enough to win," said McPhail. "We can't keep relying on last minute luck - especially against Milton. If we play hard all game, we should win the championship."
