## Yard waste collection next Wednesday

Haven't got your blue box calendar yet? Neither have a lot of homes, says Councillor Rick Bonnette, but he promises they'll soon be available for those who were missed.

Councillor Bonnette says a private company was hired to distribute the 1998 calendars and they seem to have produced only spotty results. He's reminding everyone

the first yard waste collection of the season is next Wednesday in the event you haven't received your calendar.

**TECH TALK WINNER:** Congratulations to Chris Lawson of Acton who named our automotive advice column. Detective Constable Lawson is a classic car buff. Presenting Chris with his Ford Racing Sweatshirt are Bryan Robinson (left) and Dan Zabukovec (right).

Send your automotive questions to Bryan & Dan at The New Tanner or fax to 853-0052

**QUESTION:** Spring is here. Is there anything special that I should do to my car so it is ready for summer?

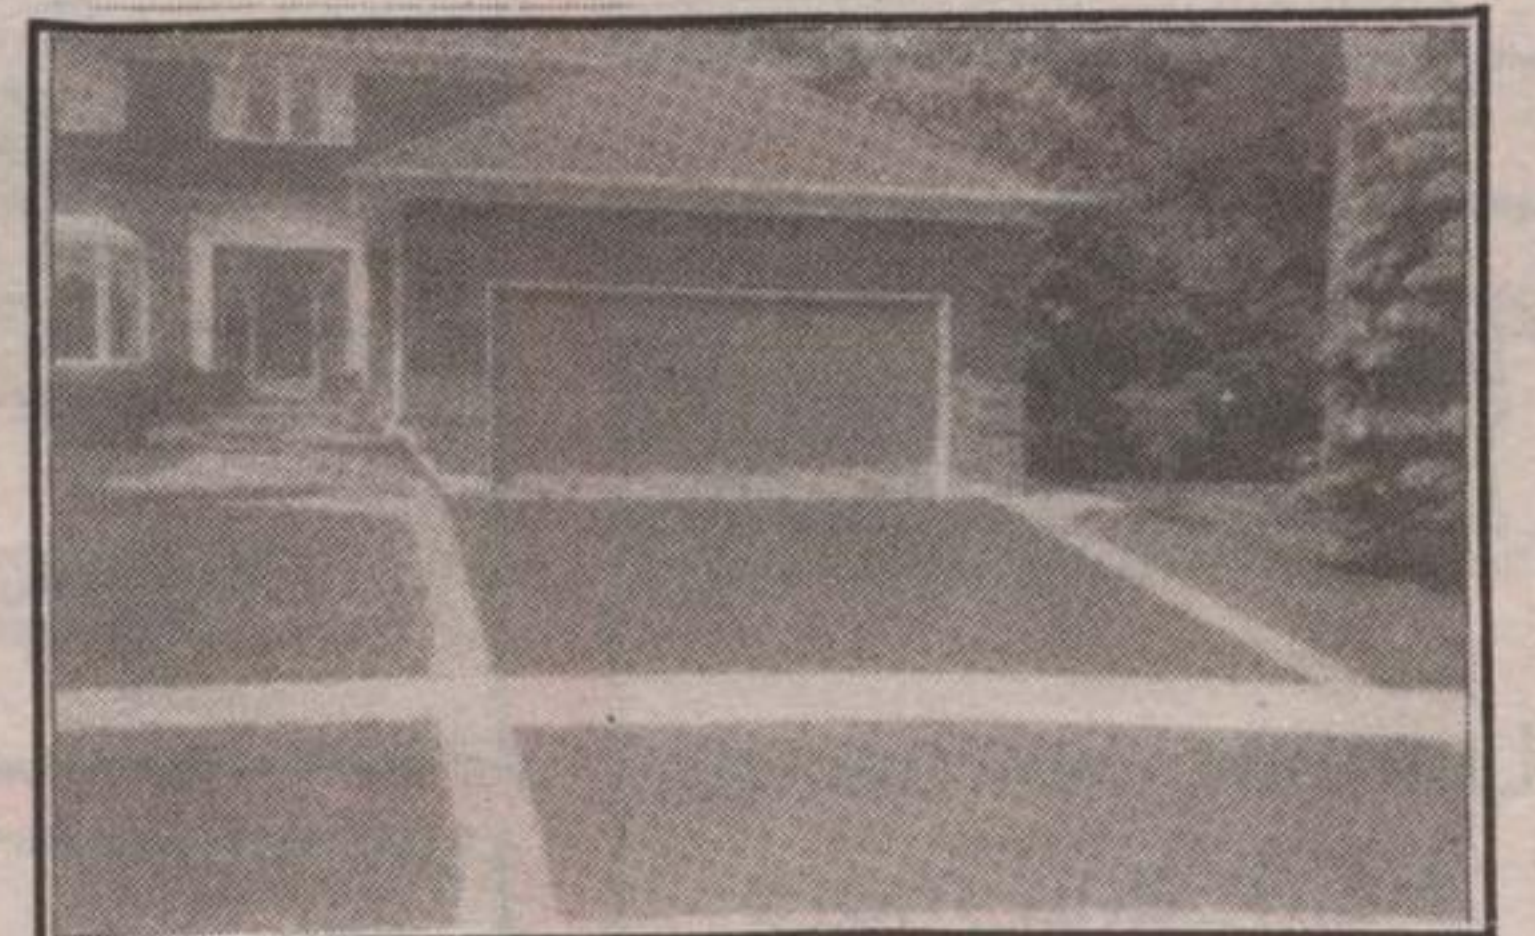

**ANSWER:** The 1st area of concern is the cooling system. Anti-freeze should be changed at least once every 4 years or 80,000 km. Make sure there is no leaves or debris blocking the radiator. Belts and hoses should be free of bulges and cracks.

Thorough washing of all the surfaces (including the underbody) should be done to remove road salt and sand.

Oil changes, tire rotations and other maintenance items should be performed as required throughout the year.
