## Paul Murr Memorial golf tourney June 8

This year's Paul Murr Golf Tournament will take place on Monday, June 8 at Blue Springs Golf Course in Acton. This will be the 14<sup>th</sup> annual event with all proceeds going to the Acton Branch of the Canadian Cancer Society. The tournament is held in memory of Paul Murr, a founding member of the event who, ironically, lost his own life to cancer. Over \$26,000 was raised last year and since its inception in 1985 over \$225,000 has been raised for this most worthy cause. The 1998 format has been modified to shorten the playing time and also encourage more casual participation with both morning and afternoon tee off times available. The tournament can accommodate 264 participants on the Turtle Lake course and normally sells out quickly. There may also be room for a few groups to play 9 holes on the par 3 Trillium course. If you are interested in participating or sponsoring, please call John Hoare at 853-0901 or 853-0145. Everyone is welcome.

## Midget Sabres take crown in overtime

Chad Farlow's overtime goal against Brampton clinched the OHMA Tri-County championship for the Acton Galvcast Midget Sabres. The Sabres bounced back with a vengeance in the 4-3 win in Brampton last Tuesday after being blanked 3-0 by Brampton in game four of the best-of-five series. The Sabres' Kyle Artem tipped in a Mike Palmer pass to draw first blood in the first period, but then Acton slumped and allowed Brampton to go ahead 3-1 in the second period.

With 19 seconds left in the second period Artem and Mark Forbes set up Brent McGuire to come within a point of Brampton. Mike Palmer's unassisted goal with 3:55 left in the third period tied up the game and sent it into sudden death overtime. Halfway through the first 10 minutes of OT Farlow potted the winner. "We took the first, third and overtime periods away from Brampton," explained assistant coach Dave Chapman in an interview on Friday. "The guys just built and built and built and played the game we knew they could.

During the overtime our goalie, Andrew Coe, came up big and made some key saves that could have cost us the championship. We're proud of the team and their efforts," Chapman said. Saturday's 3-0 loss to

Brampton in Acton left the teams tied at two games apiece. The game deteriorated into a glove-dropping brawl with a player from each team getting game misconducts and having to sit out the final.
