

New Acton night spot opens

If last weekend's unofficial opening of the new Manny's Roadhouse at 6 Mill Street east is any indication, Acton's newest revamped night spot will be a hit.

3-Pitch Parker hits game winner

The Renegades and Touch of Class are tied for first place with six points each in Acton recreational mixed 3-pitch play. The Screaming Beavers are in third place with four points, followed by four teams with two points each and one team with no points.

Monica Parker had the game winning RBI as Touch of Class edged the Polecats 16-15 last Wednesday at Prospect Park. Both Dan Trembly and Jake Rhynold had home runs for Touch of Class, which won the game with strong play in the first four innings.

In other league action, Dwayne Rhynold had two homers and teammate Ed Ebing had one as the Slopokes out-hustled A.P. Tankers 45-27 last Thursday night. Richard Cripps swatted two homers and Dave Toletzka also had a homer for the Tankers.

The Purple Nurple defeated the Screaming Beaver 25-18. Beaver's Steve Paul played well with two home runs and some good defensive moves.

Renegade's starter Pete Vander Eyken went five for five as his team held the Hosers to a 28-15 win last Wednesday. Steve Shepard hit a home run for the Renegades. Sue Wiscombe made an excellent line drive catch at second base for the Hosers who also got two home runs from Steve Cullen and single home runs from John Reeve and Wade Vickery.

jammed the refurbished club on Saturday night and owner Manny Prototapas said they've built the "ultimate entertainment spot" in Acton. While the exterior of the building was spruced up, the major work was done on the formerly totally black interior that was renovated, repainted burgundy and gray and refurnished.

"We had local artist Jimmy Cook spray paint 43 different rock and roll murals on the walls," Prototapas said, describing the new facility as "very rock and rollish."

"One wall includes musicians who have died, another shows artists from the 50s and 60s and the rock bands

are depicted in a Mount Rushmore-type painting."

Prototapas said they plan to bring some high-calibre live bands to Acton on a regular basis all summer long.

The official opening of the new Manny's is on Saturday and will feature a pig roast and a Tragically Hip tribute band, Practically Hip.

Work on the kitchen facilities is still underway so at this point the menu is restricted to bar food but Manny's will offer a full menu within the month.

Prototapas and father Nick will also continue to operate the Four Seasons Restaurant on Mill Street, formerly home to Manny's Roadhouse.

SENIORS' REC. CTR.

By DOT REDEKOP

Our dance on Friday night was a great success. Everyone who came had a good time. The music was not too loud so everyone could talk. The prizes were great and we want to thank all our sponsors who chipped in; it certainly added to the evening.

The Halton Hills Injury Prevention Committee is running an Education and Awareness session at the Seniors Centre on Friday, June 5 at 9:30 a.m. Anyone who has an interest in the safety of seniors, come out and learn about pedestrian and seniors' driving safety.
