THAT BLOCK-LONG LIMOUSINE seen travelling through Acton this past week was filled with graduates from Bishop P.F. Reding Secondary School celebrating the end of their high school years. In the photo above, Julie Restivo and friend Rueben Rivers pose for photos in the garden of Max MacSween on Elmore Drive. The group was preparing to go to a dinner and Graduation Ball in Oakville. Melissa Wood and John Grisold, below, also posed for photos during the pre-celebration get-together for Acton-area graduates. *Submitted photos.*
