

## Halton Hills #1 Volume Chrysler Dodge Plymouth Jeep Dealership

# PRESENTS

(Okay, okay, so we're the only Chrysler Jeep Dealer in Halton Hills!)

## SOLE PROPRIETORSHIP

**That's Right!  
Bought Out The Partner!**

Paul, Kim, Dylan, Quinton and Fetus Lillian (if she ever decides to grace us with her presence) are in serious hock. We now carry more debt than all of Acton combined, including the new arena! Banks had to merge to finance us! One little slip at 336 Guelph Street and down comes the T.S.E.

So how do we go about **REPAYING** this loan? Add two thousand dollars to the price of every vehicle? Nah, that's selfish. Besides, we would rather sell 100 cars a month than 10. Our **REPAYMENT** philosophy is very simple. Who is Georgetown Chrysler Jeep really indebted to? Sure, we owe the bank some money, but our real debt is to the community of Halton Hills. Acton, Stewarttown, Ballinafad, Georgetown and "The Glen" residents have acquired their Chrysler Jeep products from us for less than anywhere else because they gave us an opportunity to earn their business. Our greatest success has been our "repeat buyer" rate.

We have lost some customers. Some where we dropped the ball; some we lost by choice. But overall every one of our staff now understands that Paul Auty won't be signing their pay cheques, our customers will. A prominent local business woman last year urged all business people present to donate a percentage of their profits to charity and local causes. I know she far exceeds her proposed percentage and we have followed suit because like her, we consider these contributions a re-investment in the people of Halton Hills.

Thanks for your continued support. I have a million reasons to take our award winning Parts, Service and Sales Department to the next level. Our people, products and place in the community will continue to evolve. As those of you who have taken the time to get to know me can attest, I really mean that.
