Election makes a difference

 Re: July 16/98, Page 1
 Article: Old arena supported by many
 Last paragraph.....The person on tour of the old arena having his questions answered brusquely by town councillors.

I would be willing to bet the farm that this person wouldn't have been brushed off if these councillors were seeking reelection at that time.

Keep the arena. It's a landmark as well as a convenience for many events.

Season!

Before you head out for your ride, take note of these Important Safety Rules.

BIKE SAFETY CHECKLIST

- A SAFE BIKE SHOULD BE SEEN AND HEARD**
 Equip yours with front and rear lights, handlebar mirror and required reflectors. And, don't forget the horn.
- USE YOUR HEAD**
 Wear an approved hard-shell helmet at ALL times.
- KEEP A VISIBLE PROFILE**
 Brightly colored clothing in the daytime will help motorists spot you. If you ride in the evening, protect yourself with retro-reflective clothing.
- DO THE "RIGHT" THING**
 Always ride on the right side of the road where cars can see you better. It's the law!
- GO WITH THE FLOW**
 When riding in traffic, keep a safe distance between you and the vehicle ahead. Obey all signs, signals and pavement markings and use hand signals to indicate your intentions.
- BE ON THE DEFENSIVE**
 Always look out for the other guy.
