

LOTS of Fall Activities!

Couch Potatoes Alert!

There's lots to do for everyone

We're on the threshold of school opening and the beginning of fall activities after the long, hot summer. It's time to get off the couch or hammock and get involved with the myriad activities available in Acton, Rockwood and area.

In the next four pages you will find advertisements for people of all ages.

If you're a curler the Acton Curling Club is a long established, quaint, "country" curling club located on Churchill Road North in Acton. It is proud of its hospitable warm atmosphere, friendly competition, superb social opportunities, great food and great ice. League play in the evenings caters to men, women and mixed. Seniors are very active on Tuesdays and Thursdays during the daytime. On Sundays the club hosts a recreational league and a junior program. Instructional programs are offered throughout the year. Curling at the Acton Club is fun. It combines social opportunities with an athletic

sport helping to pass away the winter months. The club is heated so you're not cold. Make plans to curl at Acton this year. Bring friends or make new ones at the club. It is very inexpensive to join. For more information please contact Donna at 853-1145.

Maybe you prefer bowling. Acton Bowling Lanes, the lanes refinished and leagues of every description for people of all ages, is starting children's and adult leagues right after Labour Day. If you want to ensure a spot in your favourite league better pre-register, either by phone or in person, between August 25 and September 6.

How about the martial arts? Tae Kwan Do classes are being held at the new Acton arena. It's a great place for a workout and they're got a back to school special. Maybe you want to join the Girl Guides or the Boy Scouts. They're starting regular meetings in September and are looking for leaders. What an opportunity to share your talents with the

youth of our community and district.

How about the YMCA community programs? Look at their advertisement for sup programs as cartoon drawing, babysitter training, indoor soccer, floor hockey, adult fitness and there's other activities available a short drive away in Georgetown.

Figure skating. The Acton Figure Skating Club has new programs, new badges and coaches to start the season. Need you skates sharpened? Scott Maloom has a skate sharpening service available to make lessons more enjoyable.

Tired of buying wine and paying through the nose? Why not try making your own? Discovering Wine in downtown Guelph may make you a connoisseur. Look for their message on these pages.

Art conscious? Paintin' Friends has an open house and registration coming up soon at their 77 Mill St. E. location. Maybe you're another VanGogh or Rembrandt and you've never

let your genie out of its bottle.

Interested in piano? Acton Music Studio has a full program available under talented instructors from their Acton studio. Music for Young Children is available in Rockwood with Jean Verhagen or Kindermusik for toddlers to 7-year-olds with Christine de Lestard of rural Limehouse.

Perhaps you'd rather take lessons in English horseback riding at the Wishful Think Inn. Lessons are available all week in the Ballinafad area for aspiring members of the horsey set. Look for the advertisement.

Maybe you'd just rather play cards at the Acton Legion hall. The men's cribbage league starts Sept. 24 and every Thursday.

Like square dancing? Modern square dancing starts on Tuesday, Sept. 22 at the Seniors' Recreation Centre. Still say there's nothing to do here? Well, how about volunteering for some worthy charity or your church?
