**Allendale day programs expand**

Milton Place at Allendale (Halton Manor) has expanded to accommodate 20 clients per day and is now able to provide additional support to North Halton clients with higher care needs.

They are also able to provide more individualized programming for clients, which includes social programs as well as speech therapy and physiotherapy.

Friends' Landing, the

new program for cognitively impaired clients, opened June 23.

Allendale supplies the nutritious hot noon meals and refreshments for the day program clients. Clients from both day programs have access to the hair salon at Allendale, as well as foot care services. Red Cross volunteer drivers transport clients from Acton and Georgetown. Both programs operate Mon-

days to Fridays, 8 to 4.

If you would like more information about Milton Place or Friends' Landing or about admission to our programs, please call Lorena Smith, Day Program Supervisor at 878-4141, ext. 8026.

**Golden Age club starts Sept. 1**

Are you aware there is a seniors "Golden Age Club" for 55 and over in Acton? Do you know we help support the United Seniors Citizens (USCO) of Ontario?

This is the organization that works with the Minister of Health and Welfare for the needs and benefits of seniors.

We have them to thank for much of our free medication, hearing aid assistance and more hospital beds for long term patients etc. Their work for us has no limitations. Our club helps provide funding for the USCO.

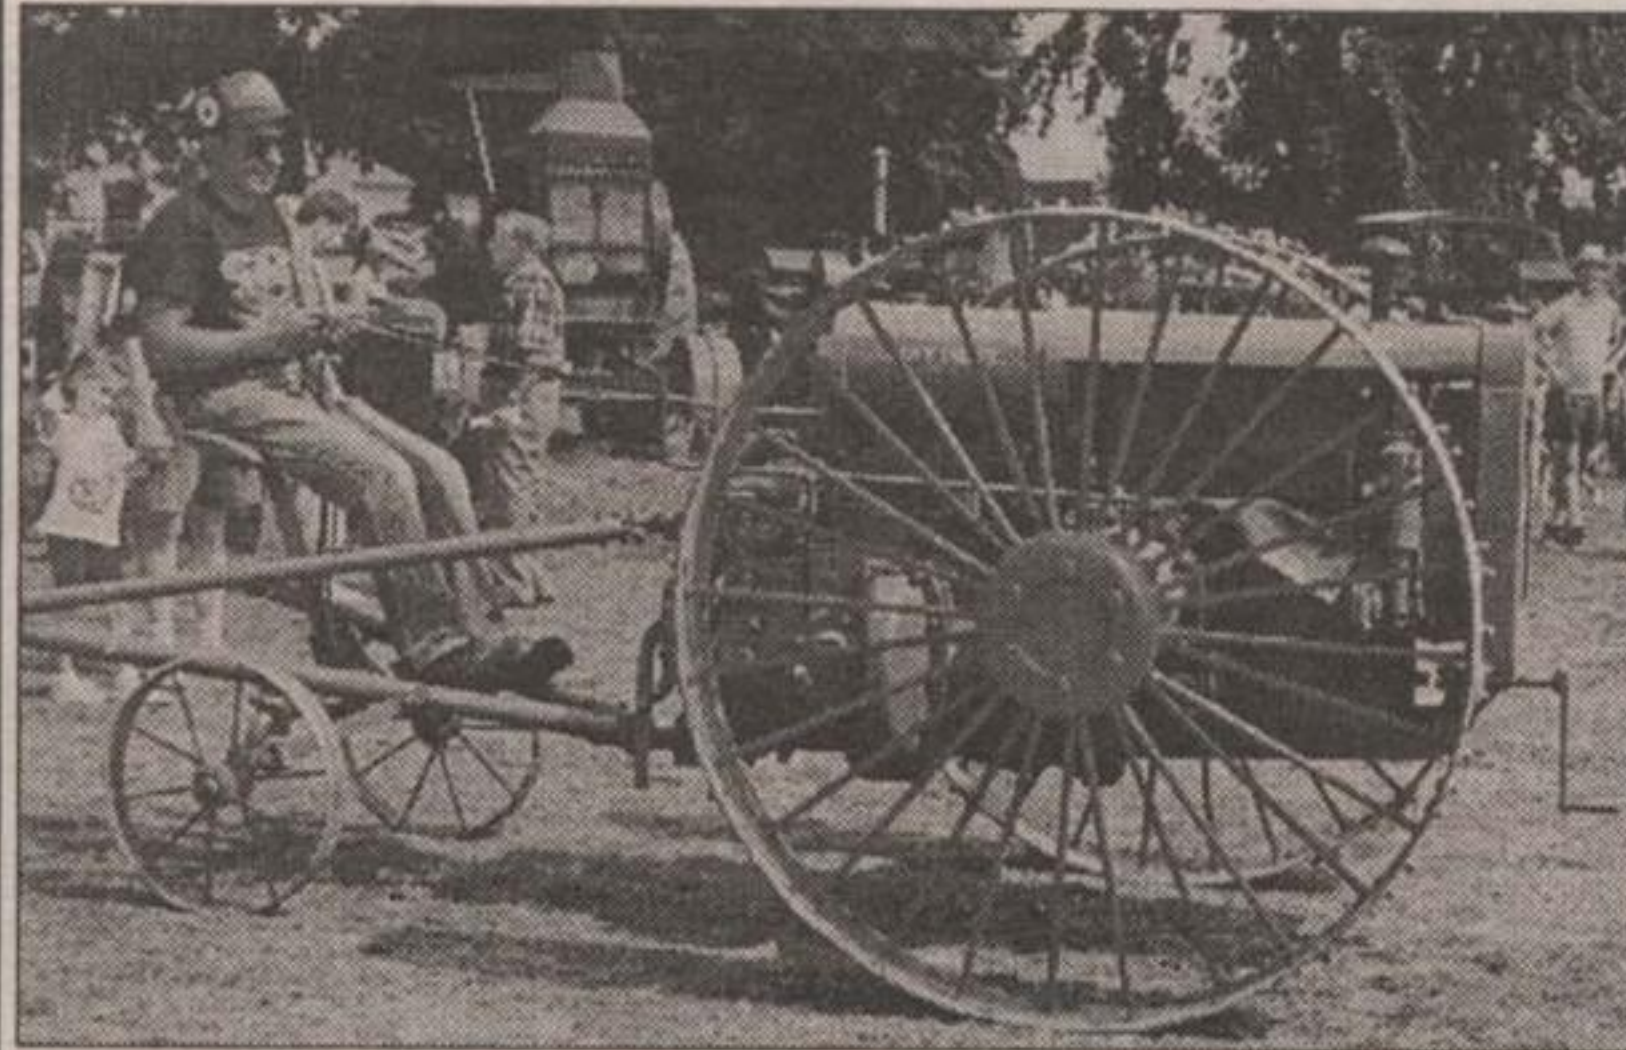

Come out Tuesday, Sept. 1 at 2 p.m. and learn more about it. We meet the first Tuesday afternoon at 2 o'clock and the third Wednesday evening at 7:30 p.m. in St. Alban's Luxton Hall each month.

If you wish to become a member it is only \$3 per year. A collection of 50 cents at meetings provides us with lunch and entertainment.
