

It's Worth The Drive ...

For Some **FALL FUN!**

No wonder people enjoy this part of Halton!

The New Tanner

Summer may be the favoured season for some, but when it comes to beautiful scenery and crisp air, nothing beats fall. Especially for those of us lucky enough to live in north Halton and south Wellington.

This is also a time when

the travellers from Mississauga, Brampton and T.O. envy us the most and make their weekend pilgrimages to those interesting little shops and rural events we take for granted since they are right in our back yards.

Halton and Wellington come with an abundance of attractions from natural formations like Crawford Lake and the limestone caves at

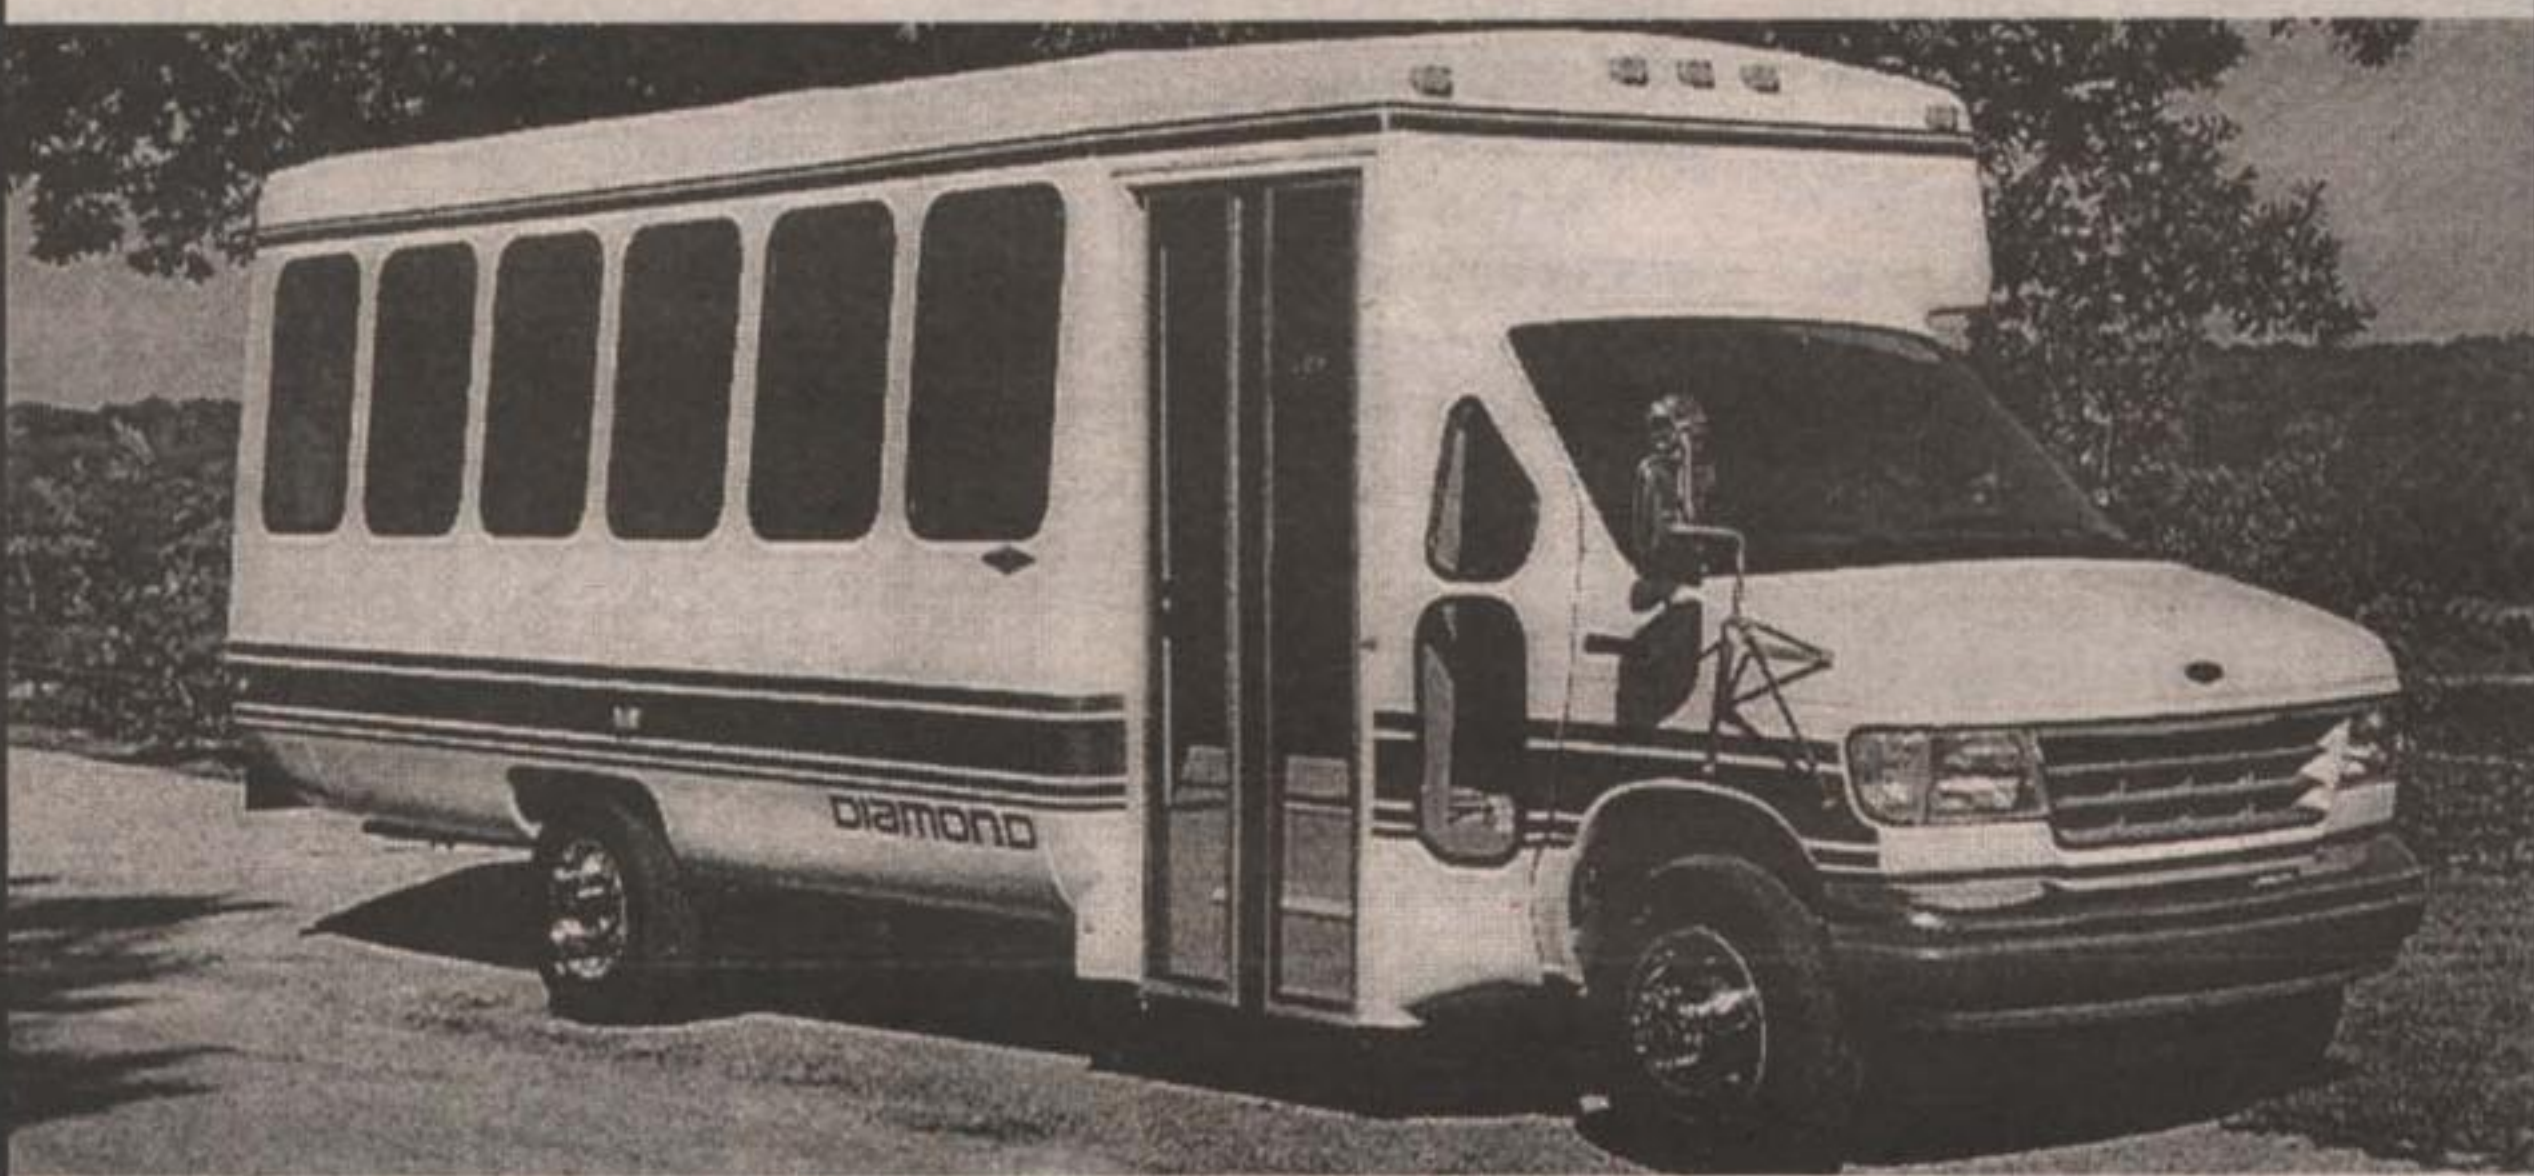

Rockwood to special destinations like the Farm Museum and the Electric Railway Museum.

And we don't lack much in the way of food either with pick-your-own establishments offering local produce at its peak if you want to create your own gourmet fare. Or if you want to sit back and let someone else do the work, See **NO WONDER**, Page 8
