"The Home of the Week" YOUR BUILDING EXPERTS

Spacious Rancher Boast Country Charm

A gable roof design and a covered front veranda add a heritage flavour to this comfortable rancher plan.

An open plan layout for the living and dining room creates a good sized area for formal entertaining and features a cosy gas fireplace. The family room and kitchen are also open to each other, offering a country kitchen style atmosphere. A vaulted ceiling in the family room adds a stylish touch. A large utility room off the garage provides an extra closet and a tub.

The master bedroom, like those in larger homes, features a walk-in closet and a four piece ensuite with a soaker tub.

An unfinished basement awaits your own creative touch.

Plans for B-756 may be obtained for \$415 for a package of five complete sets of working prints and \$35 for each additional set of the same plan. Allow \$15 extra to cover the cost of postage and handling (Add 7% GST to plan total plus postage and handling).

This is one of our new designs. Many innovative plans are now available in our New home plan catalogue for \$8.51 including postage and handling and 7% GST. Please make all cheques, money orders, and Visa authorizations payable to:
