Coats for the Community

This year, a partnership between Barrager's Cleaners, the Masonic Lodge and Halton Hills Community Support and Information will work together to collect, clean and distribute winter coats for families in Halton Hills. Coats will be collected from Nov. 2 to Nov. 14 and can be dropped off at Barrager's, Wastewise, Halton Hills Civic Centre, HHCSI (318 Guelph St., Georgetown), Acton IGA and HHCSI (19 Willow St. N., Acton). Children's coats will be especially appreciated. Barrager's will clean the coats and the Masonic Lodge and HHCSI will distribute them from Nov. 23 to Dec. 24. Coat pick up dates and locations will be advertised in the near future. For more information please call HHCSI at 873-6502.

Ukrainian Speaker

Needed: A volunteer visitor (individual or couple) is required in Georgetown to visit a Ukrainian speaking elderly couple and to perhaps occasionally take them to the mall to do some shopping. If you speak Ukrainian and have a few hours per week that you might like to spend visiting, please call Sue at Halton Hills Community Support and Information, 873-6502.

LOST YOUR WALLET?

Many times over the year I receive calls from citizens who have lost a wallet or purse. This usually includes all their identification, credit cards and bank cards, plus cash and other items we all keep. For a police officer to take this type of report and place the lost or stolen items on the police computer, the credit card numbers and date of expiry, numbers from the identification documents are required, and usually people cannot remember these numbers. A simple solution to this is to photocopy all the documents and to keep the photo copy in a safe place until needed.

Another good thing to do is to photograph any household valuables, such as Royal Doulton, silverware, jewellery, or anything that might be subject of an insurance claim, or for descriptive purposes for police. Also take a photo of the serial numbers or at least write them down, of all electronic items in your house, such as the computer, the VCR and TV etc. Place a copy of these photographs and lists in a safe place and it's sometimes good to make a second copy and put in a safe deposit box. If you need to engrave your name on anything contact me at 853-2050 and I will loan you an engraver.

People are forever losing their keys. I know. I get several sets dropped off at the police station every month. Check your keys right now. Is there any way someone can identify you, your home or your vehicle from the keys? If they can, remove the identification. It could be used to steal your car or get into your home.
